Phoenix Rising Housing Consultant (Simone Flores)

Professional Assistance relating to Grant Funding & Opportunities

Simone Flores, Rising Phoenix Housing Consultants

- Ms. Flores gave her experience with Grants and Grant writing and types of grants and amounts of grants she was able to obtain.

Mayor asked about matching funds on grants and how she is compensated.

She explained that the match depended on the grant and her compensation is typically a monthly retainer.

Mayor commented that we do apply and get grants but Sayreville does not have a dedicated grant writer. He asked how long it would take her to perform an evaluation and how much it would cost.

She explained the evaluation would take approximately one month and the cost is \$1,000./month and typically an analysis would run from \$1,500. - \$3,000.

COUNCIL MEETING MINUTES

May 26, 2015

Discussion followed regarding her fees following the analysis and her typical amount of grant income. Questions presented by the governing body as to what types of grants she would be looking at for the borough.

Mayor asked Simone to visit the departments and obtain their needs, prepare a comprehensive plan of action, pay you for the analysis and then we will make the decision if we want to move ahead with the grant writing.

CFO Kronowski asked if she gets involved in Grant Management end of it. Simone said that with grants comes a lot of reporting, compliance and complex technical stuff. She said that it is important that you have someone on your team that could manage these grants moving forward to meet compliance. She said that she would be there to provide technical assistance to that person to be sure the borough is in compliance.

In closing the presentation the Mayor asked that when she put her analysis plan and proposal together that she submit it to the Business Administrator, Mr. Frankel and the CFO, Mr. Kronowski. The governing body will discuss it and let her know.

Mayor O'Brien called for the next Order of Business:

EXECUTIVE SESSION - None

PUBLIC PORTION

At this time Mayor O'Brien opened the meeting to the public or any and all issues. Those appearing were:

- William Henry, Orchard Street
Commented on the position that the Mayor took for the State and the background of the person he replaced.
 - Response by the Mayor.
Mr. Henry questioned the Mayors Ethical and moral standards.
- Chuck Kelly, President of the Retired Police Officers Association.
Commented that on April 1st he submitted a letter to the borough about a sidebar for the 58 PBA retirees. He received a reply from Mr. Frankel on April 27th denying his request and the reasons why. He went on to comment about AETNA and the Broker for the borough and the resolutions appointing Reliance and their commission.

Mr. Kelly spoke about Mr. Robert Smith being hired as the Water Dept. Director and Mr. Dan Frankel that he was told that they have no credentials for this position. He felt that the appointments of Mr. DuPont, Mr. Sica, and Mr. Womack, were political appointments.

At this time he asked for the governing body to reconsider his application for the retiree benefits and for someone to respond within the appropriate time.

Councilwoman Novak stated for the record that she could not vote on this as her husband is a retired Sayreville Police Officer, but what the Labor Attorney said was the PBA contract states is that they are the only group the council could negotiate with including the retirees. The Business Administrator agreed and that what Mr. Kelly wanted was to open up and recognize Mr. Kelly and the Retirees an individual group and negotiate with them. Further comments made by the Borough Attorney. Councilman McGill commented that he understood why the retirees wanted to negotiate on their own, being afraid that the current union would trade off retiree benefits and they are left with no voice.
Closing comments made by Mr. Kelly.

- Michael D'Addio, 13 Zaleski Drive
 - Commented on the Mayor's appointment to the State.
 - Questioned when the water shooting out of the ground on Chevalier Ave. would be fixed.
Councilman Rittenhouse responded that he was waiting to be further informed from the Business Administrator and Water Dept.
- Mr. Michael Burns, Miara Street
Wished the Mayor luck on his new position.
- Chirag Raval, 10 Page Terrace
 - Questioned why Cablevision was the only provider for cable telecommunication services in this area.

COUNCIL MEETING MINUTES

May 26, 2015

Response by Mayor O'Brien that Verizon does not have a representative assigned to our area and that he has been in touch with them to try to move this forward and deal with these issues. He said that Cablevision is now deregulated and we have no control over the cable company any longer nor do we have another company wanting to make that capital investment in town.

Mr. Raval commented on how Direct TV and others contract with other telecommunication services for internet and phone or VOIP services, so there are some competition there.

Councilman Buchanan stated that only part of Sayreville has FIOS.

Councilman Melendez stated that this is not only a Sayreville problem it is a State problem and not sure where the push should come from. He asked if he had a solution to recommend.

Mr. Raval stated that there are communities throughout the nation that have implemented their own broadband solutions. Some through electrical utilities others through a government sponsored entity. He explained that the upfront funding is very expensive and then here is the infrastructure. Some towns set up revenue bonds through private investors. The revenue bond money comes in and that is what is used to set up the infrastructure and that is paid off through the subscriber fees. It set up like a utility. He explained how it worked in the different towns he spoke with.

Mayor O'Brien put Mr. Raval in charge of a solution asking him to put four people of like mind and we're going to create a committee. You will work with Councilman Melendez. Mayor asked if he would accept the task and with the borough backing you would have access to things you otherwise would not. Mayor asked if he would accept. He did and will be in touch with the clerk for contact information.

- Mr. Raval then commented on the poor condition of MacArthur Avenue.
- CFO Kronowski gave some history of the roadway that MacArthur Ave. has been repaved three times since he has been CFO but part of the problem is that MacArthur Avenue as well as Pulaski Avenue has an underlay of concrete which has a tendency to cause these problems quicker than other roadways.
- Councilman Rittenhouse asked when the Cablevision contract was up. Mr. Frankel responded that he thought it was 2016.
- Chuck Kelly – said that he did not hear any acknowledgement of the passing of Ellen Buckley who was a long time employee of the borough. Mayor concurred that Ellen was a long time employee of the borough. He called for a moment of silence in her memory. A Moment of Silence was observed by all in attendance.
- Ed Streck, 58 Nickel Avenue
Capt. American Post 211 Honor Guard
 - Thanked the Borough for supporting the veterans and Memorial Day Parade. Thanked the DPW for their due diligences cleaning entire parade route. Councilwoman Novak stated that she is a life member of the VFW Auxiliary and she and other councilmembers participated with them and went to every cemetery. She asked that for next year they receive information as to the American Legion's route so that they could split up and attend both. Mr. Streck reviewed their route.

Mayor asked if there were any other questions or comments.

None made.

Councilwoman Novak made a motion to close the public portion. Seconded by Councilman Buchanan.

Roll Call: Voice Vote, all Ayes. Carried.
