BY THE BE IT ORDAINED BOROUGH COUNCIL OF THE BOROUGH OF SAYREVILLE, IN THE COUNTY OF MIDDLESEX, NEW JERSEY (not less than two-thirds of all the members thereof affirmatively concurring), AS FOLLOWS:

Section 1. The Borough Council of the Borough of Sayreville, New Jersey (the "Borough") has ascertained and hereby determines that it is necessary and desirable to raise

money to finance the cost of the improvements described in Section 3 of this bond ordinance, which improvements are hereby authorized to be made or acquired by the Borough. For said improvements or purposes stated in said Section 3, there is hereby appropriated the sum of \$300,000, said sum being inclusive of all appropriations heretofore made therefor and including the sum of \$15,000 as the down payment for said improvements or purposes required by law and now available therefor by virtue of provisions for down payment or for capital improvement purposes in one or more previously adopted budgets.

Section 2. For the financing of said improvements or purposes and to meet the part of said \$300,000 appropriation not provided for by application hereunder of said down payment, negotiable bonds of the Borough are hereby authorized to be issued in the principal amount of \$285,000 pursuant to the Local Bond Law, constituting Chapter 2 of Title 40A of the New Jersey Revised Statutes (the "Local Bond Law"). In anticipation of the issuance of said bonds and to temporarily finance said improvements or purposes, negotiable notes of the Borough in the principal amount not exceeding \$285,000 are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.

Section 3. (a) The improvements hereby authorized and the purposes for the financing of which said obligations are to be issued are the acquisition and installation of an emergency generator for the Borough Hall building, together with all other work, materials and appurtenances necessary therefor or incidental thereto.

(b) The estimated maximum amount of bonds or notes of the Borough to be issued for said purposes is \$285,000.

(c) The estimated cost of said purposes is \$300,000, the excess thereof over the estimated maximum amount of bonds or notes to be issued therefor being the amount of said \$15,000 down payment for said purposes.

Section 4. The following additional matters are hereby determined, declared, recited and stated:

(a) The said purposes described in Section 3 of this bond ordinance are not current expenses and are properties or improvements which the Borough may lawfully acquire or make as general improvements, and no part of the cost thereof has been or shall be specially benefited thereby.

(b) The period of usefulness of said purposes within the limitations of the Local Bond Law, according to the reasonable lives thereof computed from the date of said bonds or notes authorized by this bond ordinance, is 15 years.

(c) The supplemental debt statement required by the Local Bond Law has been duly made and filed in the office of the Borough Clerk and a complete duplicate thereof has been electronically filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs in the State of New Jersey (the "Division"), and such statement shows that the gross debt of the Borough as defined in the Local Bond Law is increased by the authorization of the bonds and notes provided for in this bond ordinance by \$285,000, and the said obligations authorized by this bond ordinance will be within all debt limitations prescribed by the Local Bond Law.

(d) An aggregate amount not exceeding \$25,000 for interest on said obligations, costs of issuing said obligations, engineering costs and other items of expense listed in and permitted under Section 40A:2-20 of the Local Bond Law is included in the estimated cost of said improvements.

Section 5. Any funds from time to time received by the Borough as contributions-in-aid of financing the improvements or purposes described in Section 3 of this bond ordinance, including any grants, shall be used for financing said improvements or purposes by application thereof either to direct payment of the cost of said improvements or purposes, or to payment or reduction of the authorization of the obligations of the Borough authorized therefor by this bond ordinance. Any such funds so received may, and all such funds so received which are not required for direct payment of the cost of said improvements or purposes shall, be held and applied by the Borough as funds applicable only to the payment of obligations of the Borough authorized by this bond ordinance.

Section 6. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and interest on the said obligations authorized by this bond ordinance. Said obligations shall be direct and unlimited obligations of the Borough, and the Borough shall be obligated to levy ad valorem taxes upon all of the taxable real property within the jurisdiction of the Borough for the payment of said obligations and interest thereon without limitation as to rate or amount.

Section 7. The capital budget of the Borough is hereby amended to conform with the provisions of this bond ordinance to the extent of any inconsistency herewith and the resolutions promulgated by the Local Finance Board of the Division showing all detail of the amended capital budget and capital program as approved by the Director of the Division, are on file with the Borough Clerk and are available for public inspection.

Section 8. The Borough intends to issue bonds or notes to finance the cost of the improvements or purposes described in Section 3 of this bond ordinance. The Borough expects that the maximum principal amount of bonds or notes which will be issued to finance the cost of the improvements or purposes described in Section 3 of this bond ordinance is \$285,000. If the Borough incurs any such costs prior to the issuance of the bonds or notes, the Borough intends to reimburse itself for such expenditures with the proceeds of the bonds or notes.

• **PUBLIC PORTION**

At this time Council President Pro-Tempore Novak opened the meeting to the public or any and all issues.

Those appearing were:

-Sherry Stark, South River

-Appearing on behalf of Fred’s Towing in South River

Stated that they were attempting to obtain a spot on the Borough’s Wrecker Tow List and are located directly over the bridge from the Borough of Sayreville. She stated that they could respond to towing calls for the Borough of Sayreville within the specified time frame in the ordinance as they are closer than any other towing company in that particular area. She stated that she has been in touch with Councilman Lembo but it appears that the town will not be moving forward with amending the ordinance as requested. She stated a number of other towns who do not have such a restriction. She further quoted from NJSA 40:48-2.49 and NJSA 40A:11-5 that the borough’s ordinance was in violation. She asked for the borough to reconsider and amend the ordinance to open to towing companies outside the borough.

The Borough attorney asked the council to refrain from commenting on this matter and he will be in touch with Ms. Stark to discuss the matter.

- Al Pillar, 251 Morgan Avenue

Questioned if there was a follow-up to his complaint from the last meeting regarding Morgan Bluff using hydrant water for watering.

No response.

Questioned how the pilot program for this housing project helps or hurts Sayreville and if any of the units are deemed senior citizen dwellings.

Response made by the borough engineer on all of the off-site improvements as part of his project and that 22 units are age restricted.

Concerns about the Covello's property on Rt. 35 being a public safety issue.

Mr. Frankel stated he would send out Code Enforcement and Board of Health to report on safety and health issue.

Complained on the deplorable look of the Rt. 35 corridor.

Stated that LaMer was built on hallowed ground that over 100 people were killed there in an explosion at the Morgan munitions dump and that there should be some plaque or something of recognition of the history.

Councilman Rittenhouse responded that one of the members of the Historical Society wrote a book on the Morgan explosion and they had a whole program on it this past year and that it was well attended. He also said that the Historical Society has a lot of information at the museum and that Morgan is well covered as far as that is concerned. Can also be viewed on Sayrevillehistory.org.

- Lisa Marcelino, 211 Cliff Ave
