

THE BOROUGH OF SAYREVILLE

Office of Water and Sewer Utilities
167 Main Street
Sayreville, NJ 08872
732-390-7060 • water@sayreville.com

ATTENTION:

MELROSE RESIDENTS (UPPER OAK STREET AREA)

The Sayreville Water Department in conjunction with Jamestown LP and A. Servidone Inc. will be performing water system upgrades on Oak Street that may affect the water system in your area. The water will be safe to consume.

We anticipate lower operating pressures in the entire area between 7am and 3pm on the following dates:

September 9, 2025 through September 11, 2025

Some residents located on Oak Street may also experience a loss of water during this time period. Based on service records and field locations, we expect the following addresses to be without water between 7am and 3pm on September 10, 2025:

197 Oak St. 208 Oak St. 220 Oak St. 236 Oak St. 242 Oak St. 252 Oak St.

Some discoloration may be noticeable after construction but should clear in a short period of time.

We apologize for any inconvenience this may cause and appreciate your patience as we work to provide a safer and more reliable system to serve your needs.

If there are any questions or concerns in regard to this project, please contact our office.
