RESOLUTION #2025-127

WHEREAS, Facility Concession Services, Inc. is the holder of Plenary Retail Consumption License Number 1219-33-044-008 issued by the Governing Body of the Borough of Sayreville as the Issuing Authority for premises located at 570 Jernee Mill Road, Sayreville, New Jersey; and

WHEREAS, the Licensee has made application for the renewal of Plenary Retail Consumption License No. 1219-33-044-008 for the **2025-2026 license term**; and

WHEREAS, said applicant has complied with the necessary requirements including payment of fees, etc.;

NOW, THEREFORE, BE IT AND IT IS HEREBY RESOLVED by the Mayor and Borough Council of the Borough of Sayreville, as follows:

1. That Plenary Retail Consumption License No. 1219-33-044-008, Facility Concession Services, Inc. is hereby renewed for the **2025-2026** license term, subject to the following terms and conditions as contained in the Settlement Agreement approved by Resolution #2010-145, adopted on June 28, 2010 and remaining on the license:

a. The licensee shall continue to implement and provide valet parking and or managed or supervised parking for its patrons on all nights of operation. The Chief of Police may grant a waiver, on occasion, of the requirement that valet parking and/or managed or supervised parking be provided, if the licensee demonstrates to the reasonable satisfaction of the Chief of Police, that the licensee's level of occupancy on such special occasion is anticipated to be significantly less than the legal occupancy so as to satisfy the Chief that valet parking will not be necessary on such specific occasion. The granting of any such waiver on one occasion shall not entitle the licensee to such a waiver on any other occasion.

b. The licensee shall institute a policy and instruct its attendants and employees to abide by a policy that requires that, when the parking facilities used by the licensed premises are at full capacity, any additional cars seeking to enter the parking lots shall be "waved off" by parking lot attendants in order to diminish the likelihood that traffic jams occur, and to insure that such traffic continues to move through and out of the area of the licensed premises when there are no legal spaces available in the licensed premises' parking lots to accommodate additional cars.

c. The licensee shall strictly enforce a policy that patrons who have been admitted to enter the licensed premises and who subsequently exit the licensed premises will not be permitted to re-enter the licenses premises on the same day/evening. This measure is intended to alleviate the problem of patrons loitering in and around the parking lot

during licensee's operating hours and engaging in illegal, disorderly or nuisance causing behaviors.

d. The licensee's security staff shall be required to obtain photo identification cards, prepared by the Sayreville Police Department that must be kept on their persons at all times while employed at or located on the licensee's property. This measure is intended to alleviate difficulties encountered by police investigating complaints on the premises, in which members of the security staff are identified as either potential witnesses or suspects.

e. The licensee shall cause its parking lots and outside premises, as well as all areas within a 200 ft. radius of the licensed premises to be clean of all litter, trash and other discarded items. Such cleaning shall be accomplished by ten o'clock in the morning (10:00 am) each day following the hours of operation of the licensed premises, such that the above-described areas shall be free from all such litter, trash and other discarded items as may be generated by and/or associated with licensee's operations.

f. The licensee shall install "zero tolerance" signs inside its premises and at or adjacent to the entry to the premises, containing language indicating that patrons will be prosecuted to the fullest extent of the law for any possession, sale or distributions of any drugs, controlled substance or drug paraphernalia. This is designed to discourage drug activity occurring at or on the licensed premises.

g. The licensee shall cease all sales of alcohol at 1:30 am and shall cease the playing of all music at 1:45 am.

This measure is designed to facilitate the prompt and orderly exiting of patrons at or before the time of closing and to prevent large groups of patrons from exiting the licenses premises at the same time, resulting in loitering around the licensed premises and in the street blocking traffic and inhibiting the dispersal of other patrons from the licensed premises and from the area.

h. The licensee shall install a policy that on nights when patrons ages eighteen years of age (18) through twenty years of age (20) may be admitted to the premises along with patrons aged twenty-one years (21) and over, such patrons over the age of twenty-one years (21) shall be required to wear secure wrist bands of a color differentiated from wrist bands required to be worn by patrons under the age of twenty-one years (21). All such wristbands shall be incapable of being reattached once removed in order to prevent violations of law prohibiting sales of alcohol to persons under twenty-one years of age (21).

i. The licensee shall securely stow all alcoholic beverages and shall not serve any alcohol whatsoever on those occasions that the licensee provides access to teenagers under the legal drinking age at events commonly referred to as "teen nights." During such events, all alcohol shall be removed from the bar areas and secured.

j. The licensee shall require all security staff, except for undercover security staff employed by licensee, to wear clothing or uniforms which are highly visible and well marked on the front and rear. This shall include orange shirts with black block letters stating "SECURITY." This measure is designed to ensure that security staffers constitute a visible, identifiable and adequate security presence to discourage unlawful, disorderly, or hazardous activities within the licensed premises and in the parking lot to further assist police in identifying personnel when patrolling or responding to complaints or calls.

k. The licensee shall institute a policy of providing security staff in a ratio of one (1) security employee for each fifty (50) patrons, and that such security personnel be stationed in the parking lot area of the premises at all times during the hours of operation to control and supervise the parking lot area, not only with regard to parking, but with regard to the conduct and behavior of the patrons while on the licensed premises. Parking attendants and valet parking staff shall not count as "security staff" in calculating the proper ratio of security staff to patrons. The ratio of one (1) security employee for every fifty (50) patrons is only for those security personnel who are being identified and/or are in uniform. Any undercover personnel the licensee wishes to employ are in addition to the one per fifty patron security ratio. This measure is designed to ensure that the security staff employed by the licensee is sufficient to handle the number of patrons in attendance on a given night so as to constitute a visible, identifiable, and adequate security presence, to discourage unlawful, disorderly, or hazardous activities within the premises and in the parking lot.

l. On promotional nights, licensee will coordinate with the Sayreville Police.

m. On a weekly basis, licensee will deliver in person, mail, or fax a copy of the E-141-A list, commonly known as the employee list, to the Sayreville Police Department. DJ's, dancers, and other entertainers are to be included as employees, as per ABC rules.

NOW THEREFORE BE IT FURTHER RESOLVED that Borough Clerk is hereby authorized and directed to make the necessary notations or endorsements to the License certificate and that a certified copy of the within Resolution is to be forwarded by the Borough Clerk to the following:
