EXHIBIT A

CONDITIONS ON P.R.C.L. #1219-33-058-009 **PURE EVENT CENTER, INC.**

1. Licensee shall strictly enforce a policy that patrons who have been admitted to enter the Licensed Premises who subsequently exit the Licensed Premises will not be permitted to re-enter the Licensed Premises on the same day/evening. This measure is intended to address the Mayor and Council's previous finding that drug activity was noted on the Licensed Premises and in recognition of the fact that a practice of allowing patrons to exit and then re-enter the Licensed Premises facilitates drug activities by providing an opportunity for such persons to retrieve contraband from their vehicles for use and/or distribution inside and adjacent to the Licensed Premises. Additionally, this measure is intended to alleviate the problem of patrons loitering in and around the parking lot during Licensee's operating hours and engaging in illegal, disorderly or nuisance causing behaviors.
2. Licensee's security staff shall be required to obtain photo identification cards, prepared by the Sayreville Police Department, that must be kept on their persons at all times while employed at or located on Licensee's property. This measure is intended to alleviate difficulties encountered by police investigation complaints on the premises, in which members of the security staff are identified as either potential witnesses or suspects and is also designed in response to the findings of a previous ABC investigation in which it was discovered that some of the employees found on-site during the investigation were not properly entered in Licensee's employee records.
3. Licensee shall provide proper trash receptacles in the parking lot and shall cause Licensee's parking lots and other outside premises, as well as all residential areas within a five hundred (500) foot radius of the Licensed Premises, to be cleaned of all litter, trash and other discarded items. Such cleaning shall be accomplished by ten o'clock in the morning (10:00 a.m.) each day following the hours of operation of the Licensed Premises such that the above-described areas shall be free from all such litter, trash and other discarded items as may be generated by and/or associated with Licensee's operation. To the extent that residents within such five hundred (500) foot radius consent to permit access to private property for the purposes of such cleaning on private property, Licensee shall cause such private property to be cleaned of all litter, trash and other discarded items, at Licensee's sole cost. This measure is designed to alleviate any problem associated with the accumulation of empty beverage containers, cans, bottles and other debris that results from the operation of the Licensed Premises. .

4. Licensee shall construct and maintain an 8' high solid fence at the rear property line mandated by the Planning Board Resolution dated March 2, 2016, before conducting any public event.
5. Licensee shall install "zero tolerance" signs inside the Licensed Premises, at or adjacent to the entry to the premises, containing language indicating that patrons will be prosecuted to the fullest extent of the law for any possession, sale or distribution of any drug, controlled substance or drug paraphernalia. This measure is designed to discourage drug activity occurring at or on the Licensed Premises.
6. Licensee shall install soundproofing equipment and/or take any other necessary steps to limit the escape of sound and vibration from the Licensed Premises, sufficient to ensure that no audible sounds is transmitted beyond the property line of the Licensed Premises. This measure is designed to alleviate concerns regarding noise levels as recounted from complaint received by members of the Council pertaining to the Licensed Premises.
7. Licensee shall keep all doors at the rear of the building closed.
8. Licensee shall cease all sales of alcohol at 1:30 a.m. and shall cease the playing of all music at 1:45 a.m. This measure is designated to facilitate the prompt and orderly exiting of patrons at or before the time of closing and to prevent large groups of patrons from exiting the Licensed Premises at the same time, resulting in loitering around the Licensed Premises and in the street, blocking traffic and inhibiting the dispersal of other patrons from the Licensed Premises and from the area.
9. Licensee shall require security staff, except for undercover security staff employed by Licensee, to wear clothing or uniforms which are highly visible and well-marked on the front and rear. This shall include orange shirts with black block letters stating "SECURITY". This measure is designed to ensure that security staffers constitute a visible, identifiable and adequate security presence to discourage unlawful, disorderly, or hazardous activities within the Licensed Premises and in the parking lot to further assist police in identifying security personnel when patrolling or responding to complaints or calls.
10. Licensee shall institute a policy of providing security staff in a ratio of one (1) security employee for each fifty (50) patrons, and that such security personnel be stationed in the parking lot area of the premises at all times during the hours of operation to control and supervise the parking lot area, not only with regard to parking, but with regard to the conduct and behavior of the patrons while on the Licensed Premises. Licensee shall post a security guard in the rear parking lot during its hours of operation. Parking attendants and valet parking staff shall not count as "security staff" in

calculating the proper ratio of security staff to patrons. The ratio of one (1) security employee for every fifty (50) patrons is only for those security personnel who are being identified and/or are in uniform. Any undercover personnel that Licensee wishes to employ are in addition to the one per fifty patron security ratio. This measure is designed to ensure that the security staff employed by Licensee is sufficient to handle the numbers of patrons in attendance on a given night so as to constitute a visible, identifiable and adequate security presence, to discourage unlawful, disorderly or hazardous activities within the Licensed Premises and in the parking lot.

11. Licensee shall strictly enforce a policy to bar admittance to any patron who is not wearing a non-removable wristband, that has been provided to such patron by Licensee's valet parking attendant or parking supervisor, as evidence that the vehicle in which such patron arrived at the Licensed Premises has been parked in Licensee's parking lot. The only exception to this policy shall be for those patrons who demonstrate to Licensee before admittance that they hold a valid New Jersey motor vehicle license indicating that they reside within five hundred (500) feet of the Licensed Premises and have not arrived at the Licensed Premises in a motor vehicle. This condition is intended to restrict admittance to the Licensed Premises to only those patrons whose vehicles, as a driver or occupant thereof, are lawfully parked in Licensee's parking lot, in order to address issues raised by at the Planning Board regarding illegal parking, property trespass, loitering, and related nuisances.
12. Licensee shall institute a policy requiring its security staff to immediately report to the Sayreville Police Department any violations of Title 39 observed by such staff in and around the Licensed Premises, and to provide the Borough Clerk, on a monthly basis, with a list of all such reports made by the Licensee's security staff to police within the prior month.
13. On a weekly basis, Licensee shall deliver in person, mail, or fax a copy of the E-141-A list, commonly known as the employee list, to the Police Department. DJs, dancers and other entertainers are to be included as employees as per ABC rules.
14. Licensee shall provide a list of entertainers who are booked prior to the scheduled date. The information shall be delivered to the Sayreville Police Department at the time a contract is executed and signed and the information shall be delivered to the Sayreville Police Department as to the name of the outside entertainer employees.
15. Teen nights are prohibited.

16. All patrons will have their vehicles valet parked, and upon presenting proper ID, will receive a wristband. Once a person exits the premises, they cannot re-enter.
17. Occupancy shall be limited to six hundred (600) persons.
18. During the six months following June 30, 2016, no more than five (5) public events shall be permitted on the premises. Thereafter, no public events may be conducted without Planning Board Approval and subsequent amendment of this Condition.
19. Notice of all public events shall be provided to the Sayreville Police Department at least seventy two (72) hours in advance of any public event scheduled on the premises. Licensee shall participate in community meetings if requested by the Police Department.
20. During public events, the licensee shall submit to random noise level readings by the Sayreville Police Department.
21. Licensee shall provide independent noise level readings for every public event for review by the Police Department within 72 hours after the event. Noise levels must meet the State standards contained in N.J.A.C. 7:29-1, *et seq.*
22. All public events must be managed by the Licensee and not by a third party.
23. The applicant shall provide a security guard at the rear parking lot in order to prevent trespassing on the adjacent residential lots.
