## **Introduction**

The Borough of Sayreville is an established suburban community that is located in the eastern section of Middlesex County. The Borough consists of 15.8 square miles. Sayreville is bordered by seven other municipalities, which include Edison Township, Woodbridge Township, and City of Perth Amboy to the north; City of South Amboy to the east; Old Bridge Township to the south; and East Brunswick Township and South River Borough to the west.

This Housing Plan Element and Fair Share Plan has been prepared in accordance with the provisions of N.J.A.C. 5:93 and the requirements set forth in A4/S50 (Senate Bill No. 50), including the methodology and procedures established for the Fourth Round of affordable housing obligations. While the New Jersey Fair Housing Act (N.J.S.A. 52:27D-301 et seq.) does not require municipalities to adopt a Fair Share Plan, doing so provides protection from exclusionary zoning litigation, including builder's remedy lawsuits. Similarly, the New Jersey Municipal Land Use Law (N.J.S.A. 40:55D-1 et seq.) does not mandate a Housing Plan Element, but it is a prerequisite for adopting or amending zoning ordinances. Together, the FHA and MLUL require that any adopted Housing Element address the municipality's present and prospective housing needs, with particular attention to low- and moderate-income housing. In accordance with the Fair Housing Act (N.J.S.A. 52:27D-310), as implemented through the Fourth Round methodology and procedures established in A4/S50 (P.L. 2024, c.\_\_\_\_), the Housing Element shall include at minimum the following components:

1. An inventory of the municipality's housing stock by age, condition, purchase or rental value, occupancy characteristics, and type, including the number of units affordable to low- and moderate-income households and substandard housing capable of being rehabilitated. In conducting this inventory, the municipality shall have access, on a confidential basis, to all necessary property tax assessment records and information in the assessor's office, including but not limited to property record cards.
2. A projection of the municipality's housing stock for the next ten years, including the probable future construction of low- and moderate-income housing, taking into account construction permits issued, approved applications for development, and anticipated residential development of lands.
3. An analysis of the municipality's demographic characteristics, including but not limited to household size, income level, and age.
4. An analysis of the existing and projected employment characteristics within the municipality.
5. A determination of the municipality's present and prospective fair share obligation for low- and moderate-income housing, and an assessment of its capacity to accommodate those housing needs, in accordance with the methodologies outlined in A4/S50.
6. A consideration of lands and structures most appropriate for the development, conversion, or rehabilitation of low- and moderate-income housing, including consideration of sites owned by or offered by developers committed to providing affordable housing.
7. A map of all sites designated for the production of low- and moderate-income housing and a listing that includes the owner, acreage, lot, and block for each site.

8. The location and capacity of existing and proposed water and sewer lines and facilities relevant to the designated housing sites.
9. Copies of applications or approvals required for amendments or consistency determinations with applicable area-wide water quality management plans, including wastewater management plans.
10. A copy of the most recently adopted master plan, and where required, the immediately preceding adopted master plan.
11. For each designated site, a copy of the New Jersey Freshwater Wetlands maps where available. If unavailable, appropriate copies of the National Wetlands Inventory maps provided by the U.S. Fish and Wildlife Service shall be submitted.
12. A copy of the appropriate United States Geological Survey (USGS) topographic quadrangle maps for each designated site.
13. Any other documentation reasonably necessary to support review and evaluation of the Housing Element under the standards applicable to the Fourth Round.

The Borough of Sayreville has a substantial history of providing its fair share of affordable housing. Sayreville began its New Jersey Fair Share Housing Act compliance through the preparation of a Housing Element and Fair Share Plan in 1987 and received first round certification from the Council on Affordable Housing (COAH) on March 11, 1993. Sayreville prepared a Housing Element and Fair Share for second round certification on March 20, 2000. Sayreville received a second round certification on January 7, 2004, which had an expiration date of January 7, 2010.

Sayreville filed a Declaratory Judgement with the Superior Court of New Jersey on July 6, 2015. The Borough also filed a motion for temporary immunity from Mount Laurel litigation on July 27, 2015. The Court allowed the K-Land Corporation (“K-Land”) to intervene in the Borough’s Declaratory Judgement action. A settlement agreement was executed that involved three parties, which included Fair Share Housing Center (“FSHC”) on July 18, 2016, K-Land on July 20, 2016, and by the Mayor on August 8, 2016. The Borough challenged the agreement’s viability. As previously mentioned, a Housing Element and Fair Share Plan was initially adopted by the Borough Planning Board in August 2017. The Court permitted NL Industries, Inc (“NL”) to also intervene in the Borough’s Declaratory Judgement action on September 26, 2017.

An ordinance was adopted that rezoned two K-Land parcels (Camelot I and Camelot II) to allow for the construction of inclusionary development. On February 23, 2018, Judge Natali, Jr., P.J.Ch. issued an order requiring the Borough to provide notice of a Final Compliance Hearing that was scheduled on May 9, 2018. An amended Housing Element and Fair Share was subsequently adopted on March 29, 2018. New settlement agreements were executed on May 21, 2018, which later included the Borough; FSHC; K-Land; and NL. The previously executed settlement agreements were nullified. Following the adoption of the Housing Element and Fair Share Plan and settlement agreement, the fairness hearing was scheduled for June 28, 2018. The Court entered a Conditional Judgment of Compliance and Repose on December 20, 2018, and a Final Judgment of Compliance and Repose (JOR) on December 4, 2019.

## Inventory of Housing Stock

### Age of Housing Stock

The majority of the Borough's housing stock was constructed between 1950 and 1990. During the aforementioned time period, approximately 70% of the Borough's housing stock was constructed, while approximately 58% of Middlesex County's housing stock was constructed during the same period. Since 2010, only 5.2% of Borough's housing units have been constructed. Following 2010, Middlesex County resembled Sayreville's housing construction data; 6.9% of the County's housing units were constructed.

**Table 1 - Housing Characteristics**

Time of Construction	Sayreville		Middlesex County	
	Number of Units	Percent of Units	Number of Units	Percent of Units
<b>Prior to 1939</b>	1,220	7.0%	33,680	10.6%
<b>1940 to 1949</b>	461	2.6%	17,314	5.5%
<b>1950 to 1959</b>	3,029	17.4%	48,834	15.4%

## Condition of Housing Stock

This plan utilizes the 2023 American Community Survey 5-Year Estimates, where available, to estimate the number of substandard housing units in Sayreville that are occupied by low and moderate income households. ACS data considers the following factors to estimate the number of substandard housing units:

- Persons per room: 1.01 or more persons per room is an index of overcrowding.
- Plumbing facilities: Inadequate plumbing facilities is indicated by either a lack of exclusive use of plumbing facilities or incomplete plumbing facilities.
- Kitchen facilities: Inadequate facilities are indicated by shared use of a kitchen or the lack of a sink with piped water, a stove or a refrigerator.

Using the above indicators, the table below shows the number of substandard occupied housing in the Borough of Sayreville and Middlesex County.

<b>Table 2 Condition of Housing Stock</b>				
	Sayreville		Middlesex County	
	Total	Percentage	Total	Percentage
<b>Number of Persons per Room</b>				
• 1.01 or more	880	5.2%	15,523	5.1%
<b>Plumbing Facilities</b>				
• Units Lacking Complete Plumbing Facilities	42	0.2%	1,005	0.3%
<b>Kitchen Equipment</b>				
• Lacking Complete Kitchen Facilities	122	0.7%	1,890	0.6%
<b>Source: DP-04, American Community Survey 5-year Estimates</b>				

The 2023 American Community Survey (ACS) indicators were used to estimate the number of substandard housing units in the Borough of Sayreville. As shown in Table 2, a total of 164 units meet the New Jersey Department of Community Affairs (DCA) criteria for deficient housing, which includes units that are overcrowded, lack complete plumbing or kitchen facilities, or were built more than 50 years ago. In accordance with the methodology outlined in A4/S50 and implemented by the DCA, this figure is used directly to calculate present need. No additional adjustments based on income levels or duplicative household factors were applied, consistent with the standardized present need calculation now utilized statewide.

### Purchase or Rental Value of Housing Stock

According to the 2023 ACS, the median value of housing in Sayreville was \$407,600. The median value of housing in Middlesex County was \$439,300. Table 3 shows the percentage of housing units in each value category.

Table 3 Value of Owner-Occupied Units				
Value	Sayreville		Middlesex County	
	Units	Percentage	Units	Percentage
Less than \$50,000	399	3.8%	4,112	2.1%
\$50,000 to \$99,999	176	1.7%	2,241	1.2%
\$100,000 to \$149,999	121	1.1%	2,815	1.5%
\$150,000 to \$199,999	170	1.6%	4,396	2.3%
\$200,000 to \$299,999	1,190	11.3%	23,362	12.0%
\$300,000 to \$499,999	5,615	53.2%	86,661	44.7%
\$500,000 to \$999,999	2,812	26.6%	65,317	33.7%
\$1,000,000 or more	71	0.7%	5,059	2.6%
Total	10,554	100%	193,963	100%
Median (dollars)	\$407,600		\$439,300	
Source: DP-04, 2023 American Community Survey 5-year Estimates				

For rental units, the median gross rent was \$1,641. Of Sayreville's 6,183 occupied rental units listed by the 2023 ACS, approximately 33.7% and 38.7% of the Borough's rental units were identified in the \$1,000-\$1,499 and \$1,500-\$1,999 categories, respectively. Moreover, the largest concentration of the Borough's rental unit pricing was identified in the two aforementioned categories. Conversely, approximately 24.3% and 33.7% of the County's rental units were identified in the \$2,000-\$2,499 and \$1,500-\$1,999 categories, respectively. The two categories represented the County's largest rental unit pricing categories.

Table 4 Cost of Rent				
Occupied Units Paying Rent	Sayreville		Middlesex County

## Occupancy Characteristics and Types of Housing Units

Out of the 17,345 total housing units in the Borough, 16,853 were occupied (97.1 percent). Of those occupied housing units in the Borough, 10,554 (62.6 percent) were owner-occupied and 6,299 (37.3 percent) were renter-occupied. The ACS indicated that Middlesex County's occupancy characteristics for each of the types of housing units are similar to Sayreville's housing data.

<b>Table 5a</b>				
<b>Owner Occupied/Rentals and Total Occupied Units</b>				
	Sayreville		Middlesex County	
	Total	Percentage	Total	Percentage
<b>Total Number of Housing Units</b>	17,345	100%	316,633	100%

<b>Total Number of Owner-Occupied Housing Units</b>	10,554	62.6%	193,963	63.5%
<b>Total Number of Renter-Occupied Housing Units</b>	6,299	37.3%	108,226	36.5%
<b>Source: DP-04, 2023 American Community Survey 5-year Estimates</b>				

The 2023 ACS indicated that there were 17,435 housing units in Sayreville and 316,633 housing units in Middlesex County, which is shown in Table 5b. Single family detached units consist of approximately 50 percent of the Borough's and the County's housing stock. The second largest category was identified as single-family attached units for Sayreville and Middlesex County, which represented 13.9% and 11.1%, respectively.

## Units Affordable to Low and Moderate Income Households

Low income households are defined as those earning less than or equal to 50 percent of a regional median income. Moderate income households earn more than 50 percent of regional median income, but less than 80 percent of regional median income. Formerly issued by COAH, the Affordable Housing Professionals of New Jersey (AHPNJ) publish annual income limits, which define low and moderate income limits based on household size from one (1) occupant up to eight (8) persons per household. Housing units are to be priced to be affordable to households who could reasonably be expected to live within the housing units. For example, the current Affordable Housing rules require that an efficiency unit be affordable to a household of one (1) as shown below in Table 6.

<b>Table 6 2024 AHPNJ Income Limits for Middlesex County</b>					
	1 Person	2 Person	3 Person	4 Person	5 Person
<b>Median Income</b>	\$102,340	\$116,950	\$131,580	\$146,200	\$152,048
<b>Moderate (80% of Median)</b>	\$81,872	\$93,568	\$105,264	\$116,960	\$121,638
<b>Low (50% of Median)</b>	\$51,170	\$58,480	\$65,790	\$73,100	\$76,024
<b>Very Low (30% of Median)</b>	\$30,702	\$35,088	\$39,474	\$43,860	\$45,614
<b>Source: April 2024, AHPNJ 2024 Affordable Housing Regional Income Limits by Household Size</b>					

To be considered affordable, an owner-occupied household should not pay more than 28 percent of its gross income on principal, interest, taxes and insurance, subsequent to a minimum down payment of 5 percent. A rental unit is deemed affordable if a household pays no more than 30 percent of its gross income on rent and utilities. The following table displays the number of homeowners and renters who are paying more than 30% of their gross income on mortgage and rent payments.

The majority of Borough's owner-occupied households contributed less than 20% of their household income towards housing costs. The second largest category represented households that had housing costs that exceeded 30% of their household income, which represented approximately 25%. By contrast, approximately 45% of the Borough's households residing in rental units contributed more than 30% of their income towards housing costs.

<b>Table 7a Sayreville Monthly Housing Costs as a Percentage of Household Income in Owner Occupied Units</b>		
<b>Percentage of Income</b>	<b>Number</b>	<b>Percentage</b>

### Projected Housing Stock

Between 2013 and 2023, Sayreville issued building permits for 1,390 housing units. During the same time period, the Borough also issued permits to demolish 47 units, which is shown below in Table 8.

<b>Table 8 Dwelling Units Authorized</b>

## Municipality's Demographic Characteristics

Sayreville has generally grown over the last seven decades, with one period of decrease between 1970 and 1980. Following that decade of population decline, Sayreville's population began to stabilize. The data from the North Jersey Transportation Authority indicated that the Borough will experience slower growth rates between 2015 and 2050. Middlesex County has experienced continued population growth since 1950. The County is also projected to experience additional population growth through 2050. The table below summarizes the Borough's and the County's population trends since 1950.

<b>Table 9 Sayreville Borough and Middlesex County Population Characteristics 1950-2050 (Projected)</b>						
<b>Year</b>	<b>Sayreville Borough</b>			<b>Middlesex County</b>		
	<b>Total</b>	<b>Population Increase</b>	<b>Percentage Increase</b>	<b>Total</b>	<b>Population Increase</b>	<b>Percentage Increase</b>

The median age in Sayreville at 39.6 years is slightly greater than the median age of Middlesex County (39.4 years) as shown below in table 10. The table shows that the age cohorts for Sayreville were relatively similar to the data for Middlesex County for a ten-year time span. However, the under 5, 25 to 44, and 45 to 64 age cohorts represented larger populations in Sayreville than Middlesex County.

<b>Table 10 Population Comparison by Age</b>

The 2023 ACS indicated that Sayreville’s median household income was \$98,629, which was lower than Middlesex County’s median income of \$109,028. Approximately 50% of the Borough’s households earned an income of more than \$100,000, which also largely resembled the County’s income distribution. A distribution of households by income for Sayreville and Middlesex County are presented below in table 11.

<b>Table 11 Households by Income</b>		
<b>Income Level</b>	<b>Sayreville Borough</b>	<b>Middlesex County</b>

The 2023 ACS indicated that there were 16,853 households in the Borough. Approximately 50% of the Borough’s households were classified as married-couple households. The second largest household type was identified as female householder, no spouse and partner present, which represented approximately 25% of the Borough’s total households. Middlesex County largely resembles Sayreville’s household type data. See table 12.

<b>Table 12 Household by Type</b>				
<b>Household Type</b>	<b>Sayreville</b>		<b>Middlesex County</b>	
	<b>Number</b>	<b>Percentage</b>	<b>Number</b>	<b>Percentage</b>
<b>Total Occupied Households</b>	16,853	100%	305,610	100%

## Employment Characteristics

Of the 24,129 employed residents in the Borough, approximately 80% worked in the private sector. The second largest category was represented by government workers. Middlesex County primarily resembles Sayreville's employment classification data. See table 13.

<b>Table 13 Classification of Workers</b>				
	Sayreville		Middlesex County	
<b>Class</b>	<b>Number</b>	<b>Percentage</b>	<b>Number</b>	<b>Percentage</b>
<b>Private Wage and Salary</b>	19,841	82.2%	357,925	82.0%

<b>Total</b>	24,129	100%	436,300	100%
<b>Source: DP-03, 2023 American Community Survey 5-year Estimates</b>				

An analysis of the employed workforce indicated that Sayreville employees work in a broad array of economic sectors. The highest concentration of workers are employed in the retail trade; transportation, and warehousing, and utilities; and professional, scientific, management, administrative, and waste management services employment sectors. The Borough's workforce sector data is shown below in table 14.

<b>Table 14 Workforce by Sector</b>		
<b>Sector</b>	<b>Number of Employees</b>	<b>Percentage of Workforce</b>
<b>Agriculture, Forestry, Fishing and Hunting, and Mining</b>	62	0.3%
<b>Construction</b>	1,463	6.1%
<b>Manufacturing</b>	1,861	7.7%

<b>Public Administration</b>	1,124	4.7%
<b>Total</b>	24,129	100%
<b>Source: DP-03, 2023 American Community Survey 5-year Estimates</b>		

The workforce occupation characteristics in Sayreville were compared to those of Middlesex County. As indicated in Table 15, the occupation characteristics of the Borough's residents closely resemble those of workers residing in Middlesex County. The Borough maintained a slightly higher percentage of workers in the construction; retail trade; and transportation and warehousing, and utilities occupation sectors than the County's overall totals. Conversely, the County has a higher percentage of workers in the manufacturing; professional, scientific, management, administrative, and waste management services; and educational, health and social services occupation sectors. Table 15 reflects the Borough's and County's occupational characteristics.

<b>Table 15 Occupation Characteristics</b>		
<b>Sector</b>	<b>Sayreville (Percentage)</b>	<b>Middlesex County (Percentage)</b>
<b>Agriculture, Forestry, Fishing and Hunting, and Mining</b>	0.3%	0.2%

<b>Source: DP-03, 2023 American Community Survey 5-year Estimates</b>		

In addition, in order to understand what implications this employment data has for the Borough and understand what the employment field and area trends are for Sayreville Borough and Middlesex County, the New Jersey Department of Labor (NJDOLE) has prepared projections, which analyze the expected increase or decrease in a particular employment sector by the year 2032. This data has been summarized and is illustrated within table 16.

**Table 16****Middlesex County Projected Employment**

<b>Industry</b>	<b>2022 Actual Employment</b>	<b>2032 Projected Employment</b>	<b>Numeric Change</b>	<b>Outlook</b>
<b>Accommodation and Food Services</b>	23,384	26,193	2,809	Growing
<b>Administrative and Support and Waste Management and Remediation Services</b>	51,487	58,289	6,802	Growing
<b>Arts, Entertainment and Recreation</b>	4,374	5,322	948	Growing
<b>Construction</b>	15,674	16,799	1,125	Growing
<b>Educational Services</b>	42,893	45,322	2,429	Growing
<b>Finance and Insurance</b>	13,219	13,862	643	Stable
<b>Government</b>	15,882	15,908	26	Stable
<b>Health Care and Social Assistance</b>	53,941	60,645	6,074	Growing
<b>Information</b>	9,185	8,892	-293	Declining
<b>Management of Companies and Enterprises</b>	8,031	9,137	1,106	Growing
<b>Manufacturing</b>	31,594	32,995	1,401	Stable
<b>Other Services (except Government)</b>	16,115	17,183	1,068	Growing

<b>Retail Trade</b>	39,391	39,830	439	Stable
<b>Transportation and Warehousing</b>	54,211	66,886	12,675	Growing
<b>Utilities</b>	926	998	72	Growing
<b>Wholesale Trade</b>	32,406	34,758	2,352	Growing
<b>Total (All Industries)</b>	494,425	541,552	46,627	Growing

**Source: DP-03, New Jersey Department of Labor and Workforce Development**

As indicated above, it is projected that in 2032 the County's employment sectors will increase or remain stable in almost all of the industries except for one particular industry, which is identified as the information industry. Overall, the county's economy will grow by 46,627 jobs, a percentage of which will likely be located in Sayreville. Administrative and support and waste management and remediation services; health care and social assistance; and transportation and warehousing employment sectors are projected to have the largest growth increase during the 2022-2032 time period.

## **Analyses**

### **Vacant Land Analysis**

The Borough of Sayreville conducted a comprehensive Vacant Land Analysis (VLA) to assess its realistic development potential and identify land available to meet its affordable housing obligations. This assessment reviewed tax records, zoning designations, and physical site constraints such as wetlands, flood zones, and parcel size thresholds. Below is a summary of the results:

All parcels listed in the ROSI (Recreation and Open Space Inventory) were excluded from the VLA due to their dedication for public recreation, natural preservation, or open space use. These include lands designated for watershed protection and large nature preserves, such as the Julian Capik Nature Preserve. These lands are not available for development due to their designation and use restrictions and therefore do not contribute to the Borough's developable acreage.

Several large parcels coded as vacant were also reviewed. While some parcels initially appeared promising due to their acreage—such as over 100 acres off Kimball Drive and Main Street—they were ultimately found to be constrained or otherwise unavailable. Constraints included flood hazard zones, the presence of wetlands or buffers, environmental contamination, deed restrictions (such as those on land transferred to the Borough by DuPont), and other legal or environmental limitations. These parcels were either fully constrained or otherwise restricted from development. Several others lacked unconstrained acreage data or were identified as false positives upon further inspection.

As a result of these findings, only several of the reviewed parcels yielded any unconstrained acreage that could reasonably support affordable housing development. Based on the results of the VLA, the Borough of Sayreville's total Realistic Development Potential (RDP) is 76 units.

### **Analysis of Multigenerational Family Continuity**

The 2024 FHA requires an analysis of the extent to which municipal ordinances and other local factors advance or detract from the goal of preserving multigenerational family continuity as expressed in the recommendations of the Multigenerational Family Housing Continuity Commission, adopted pursuant to paragraph (1) of subsection f. of section 1 of P.L.2021, c. 273 (C.52:27D-329.20). The Commission has the primary goal of enabling senior citizens to reside at the homes of their extended families, thereby preserving and enhancing multigenerational family continuity.

A review of the Borough's ordinances indicates that there are no ordinances that would specifically create a detraction from meeting the Commission's goal of enabling senior citizens to reside at the homes of their extended families. Notable characteristics of the Borough's housing stock, which promote multigenerational family continuity include the presence of many homes and residential structures that contain three or more bedrooms, and a variety of housing stock in terms of for-sale and rental units in the form of single-family and multi-family units.

## Analysis of consistency with the State Development and Redevelopment Plan

The Borough's Fourth Round Housing Element and Fair Share Plan is consistent with the 2001 State Development and Redevelopment Plan (SDRP) as the approved and proposed projects outlined in the Fair Share Plan provide ample opportunity for the construction of affordable housing. Most of Sayreville is designated as Metropolitan Planning Area (PA1). Pursuant to the SDRP, PA1 is the preferred location for redevelopment and compact growth. The development of dense, affordable housing in PA1 is consistent with the overall State Development and Redevelopment Plan goal to direct redevelopment and growth into existing "centers" where infrastructure can support the development and services such as open space, retail shopping, public transportation, schools are within walking distance. Adequate sewer and water capacity are available for development.

Additional areas of the Borough are designated PA5 – Environmentally Sensitive. These areas are located at the eastern and western edges of the municipality, along the Raritan and South River and Cheesequake Creek. Lastly, a small area in the south western portion of the municipality is designated Park, which contains the Sayreville Sports Complex, water department, recycling center, and Julian L. Capik Nature Preserve. None of the non-PA1 areas are identified for residential development in this plan.

## Fair Share Plan

### Satisfaction of Rehabilitation Obligation

#### PRESENT NEED (REHABILITATION OBLIGATION) – 194

Per resolution #2025-39, Sayreville adopted the DCA calculation of 194 units for its Present Need. Sayreville has an active rehabilitation program administered by Acuity Consulting Services and Triad Associates and will continue to offer this program for both owner-occupied and rental properties.

### Satisfaction of Prior Round Obligation

#### PRIOR ROUND (1987-1999) - 261 UNITS

The Borough has a Prior Round obligation of 261 units. The Borough has addressed its obligation through the following mechanisms:

##### *Lakeview at Sayreville*

Lakeview at Sayreville is located at 1 Kulas Lane (Block 254.01 Lot 2) in the Parlin neighborhood of Sayreville. This 100% affordable development is a HUD Section 8 Project-Based Rental Assistance development that is comprised of 200 age-restricted rental units in a six-story building and 100 family rental units in six, two-story buildings. The building was originally placed into service in 1983 with a 20-year control period, formalized by a HUD Housing Assistance Payment (HAP) Contract. The project's second control period that expired on December 31, 2023. The Borough applied 65 of the age-restricted units towards its Prior Round obligation.

##### *Riverton (Luxury Point)*

Riverton (formerly called Luxury Point) is a mixed-use development located within the Borough's Waterfront Redevelopment Area. The site, located along the Raritan River and southwest of the Driscoll Bridge, encompasses a large portion of the 440-acre redevelopment area and will house a total of 2,000 residential units. Pursuant to the settlement agreement with FSHC, dated October 2, 2015, 300 of the 2,000 units will be affordable, non-age restricted, rental units, representing a 15% set-aside. This project is currently under construction and the Borough will apply 130 of the 300 units to its Prior Round obligation.

#### PRIOR ROUND CREDITS

The Borough has satisfied its 261-unit Prior Round obligation as follows:

**Table 17 – Satisfaction of Prior Round Obligation**

Compliance Mechanism	Rental or Sale	Family or Age Restricted	Units	Bonus Credits	Total Credits
Lakeview at Sayreville (Age-Restricted Units)	Rental	Age Restricted	65		65
Riverton (Luxury Point) – <i>under construction</i>	Rental	Family	130	66	196
<b>Totals</b>			<b>195</b>	<b>66</b>	<b>261</b>

## Satisfaction of Third Round Obligation

### Third Round Credit Obligation Requirements

The May 2018 settlement agreement between the Borough, FSHC, K-Land, and NL assigned a Third Round obligation of 785 units. As of December 31, 2024, the Borough has realized the construction of the vast majority of its Third Round projects, and all of the remaining proposed projects and mechanisms remain viable and fully creditworthy. The Third Round projects/mechanisms are outlined below.

#### **Prior Cycle Credits (4/1/1980 - 12/31/1986):**

##### *Lakeview at Sayreville*

Of the remaining age-restricted units, 90 will be applied to the Borough's Third Round obligation.

#### **Existing 100% Affordable Development**

##### *Gillette Manor*

Gillette Manor, located at 650 Washington Road (Block 399 Lots 1, 16 and 20), is a 100% affordable, age-restricted project, managed by the Sayreville Housing Authority and owned by the Sayreville Housing for Senior Corporation. The project received HMFA tax credits in 1995 conditioned upon affordability controls contained in the property's Deed of Easement and Restrictive Covenant. The affordability controls for Gillette Manor began on January 1, 1995 for an initial period of 15 years. The affordability controls were subject to an extended-use restriction period of an additional 15 years, until January 1, 2025.

The project consists of a single structure with 100 one-bedroom units. Of the 100 age-restricted units, the Borough applied 84 units toward its Third Round obligation. Per the May 2018 settlement agreement, the Sayreville Housing Authority adopted a resolution applying new 30-year affordability controls without any residence preference for the 84 units being applied to the Third Round. The deed restrictions run with each unit for at least 30 years from the date the unit, after becoming vacant and having been affirmatively marketed throughout the housing region, is occupied by a new qualifying low- or moderate-income household who is qualified for the particular unit with no residency preference. This resolution is included in the Appendix.

##### *The Place at Sayreville (River Road Redevelopment Area)*

The River Road Redevelopment Area is an 87-acre area to the east of River Road and north of Main Street. Sayreville Boulevard bisects the Area in an east-west direction. Apart from the Neptune Gateway Facility, the entire Area is owned by the Sayreville Economic and Redevelopment Agency (SERA). A portion of the Area south of Sayreville Boulevard was developed as an 88-unit family rental project, with affordability controls applied on May 2, 2023. The Borough will apply all 88 units to its Third Round obligation.

## **Existing Inclusionary Development**

### *Chase Partners*

The Chase Partners site is located on Old Spy Road/Route 35 and is within the Sayreville Route 35-Phase I Redevelopment Area. A redevelopment agreement was signed On July 11, 2013 between the Sayreville Economic and Redevelopment Agency (SERA) and the designated redevelopers, Chase Partners, LLC. The project occupies the northern portion of the Redevelopment Area, as seen on the map in Figure 1. The inclusionary residential development on the site, Morgan's Bluff, was completed in 2016. The project includes 22 affordable, age-restricted, rental units. The Borough applied all 22 age-restricted affordable units to its Third Round obligation.

### *K-Land (Camelot I & II)*

On May 29, 2018, the Borough authorized the execution of a new settlement agreement with the K-Land Corporation ("K-Land") regarding several properties K-Land owns within the Borough, called Camelot I (Block 136.16 Lots 30.05 and 30.06) and Camelot II (Block 347.01 Lot 3.01 and Block 366.01 Lot 1). The settlement agreement establishes standards for two new inclusionary zones at Camelot I and Camelot II. Pursuant to the settlement agreement, the two sites were planned for inclusionary developments, comprising a total of 318 units between the two projects. Of the 318 units, 18 will be new affordable, family rental units, divided between the two projects, with 2 units at an off-site location.

#### *CAMELOT I*

The Camelot I project is located on Main Street in the eastern portion of the Borough. The area is composed of Block 136.16 Lots 30.05 and 30.06. The project is completed, however a deed restriction has not yet been executed and recorded on the property. The Borough will ensure that a valid deed restriction is executed prior to issuing certificates of occupancy for the second phase of the Camelot development.

#### *LaMer*

K-Land produced two (2) additional affordable units by deed-restricting existing units within the existing development known as LaMer, which is also owned by the K-Land Corporation and/or controlled entity. The two (2) units are located at 140 Samuel Circle and 115 Check Avenue (both within Block 449 Lot 10.100). In accordance with the May 29, 2018 settlement agreement, deed restrictions were executed on these properties on February 10, 2020.

## **Existing Supportive Housing:**

### *Caring House 54*

Caring House 54 is a licensed group home located at 1079 Bordentown Avenue (Block 442.19 Lot 6). The project contains 4 units for permanent supportive housing for very-low income, developmentally disabled adults. The group home is currently licensed to support 6 individuals. Caring House received its Business License from the Borough on January 13, 2016. The Borough applied 4 units to its Third Round obligation.

**Accessory Apartment Program:**

Sayreville adopted an amendment and update to its accessory apartment ordinance on October 10, 2017. The program is available to properties within the Office/Services (O-S) Overlay Zone. To date, no units have been created.

**Proposed Inclusionary Development:***Riverton (Luxury Point)*

The Borough will apply the remaining 170 affordable, family, rental units from Riverton to its Third Round obligation.

*NL Site*

The NL site is located on Cross Avenue and US Highway 9. The site is comprised of Block 297 Lot 1, Block 332 Lots 1, 2, 3, and 4, and Block 333 Lot 1 and measures approximately 22 acres in size. The site is planned for an inclusionary development with 132 total units, 7 of which will be affordable, family, rental units, representing an approximately 5.3% affordable set-aside. The Borough will apply all 7 affordable rental units created on the Cross Avenue/National Lead site to its Third Round obligation. This site is currently under construction.

*CAMELOT II*

The Camelot II project of the K-Land development is located between Main Street and North Ernston Road. The site is composed of Block 347.01 Lot 3.01 and Block 366.01 Lot 1, measuring approximately 24.5 acres in size. The site is currently under construction and will yield eight (8) affordable units when completed.

**Table 18 – Satisfaction of 3rd Round Obligation**

<b>Compliance Mechanism</b>	<b>Rental or Sale</b>	<b>Family/Age Restricted/SN</b>	<b>Units</b>	<b>Bonus Credits</b>	<b>Total Credits</b>

## Satisfaction of the 4th Round Obligation

On March 20, 2024, Governor Murphy signed into law an Amendment to the Fair Housing Act (N.J.S.A. 52:27D-301 et seq.) which required the DCA to produce non-binding estimates of fair share obligations for Sayreville (among other municipalities). The DCA report issued on October 18, 2024 identified an obligation of 270 units, based on a variety of factors, one of which being the “Land Capacity Factor” (LCF). The LCF was based on DCA’s analysis of available land within the municipality that would be available for development (similar to a vacant land analysis). The Borough’s professionals reviewed the LCF against reasonable constraints that DCA may not have been privy to during its analysis. Based on reasonable exclusions, the Borough adopted a resolution on January 27, 2025 that accepted an obligation of 210 units – 60 units less than the DCA figure.

Subsequent to this resolution, negotiations were entered into between the Borough, Fair Share Housing Center, and the New Jersey Builder’s Association (NJBA). The NJBA was included as a party as they had filed suit against all towns that did not accept the DCA figure. A court conference was held on March 10, 2025 with representatives with all parties, facilitated by the Ret. Hon. Judge Mary Jacobson. In the conference, representatives from Fair Share and the Borough discussed an alternative methodology that Fair Share was utilizing to ensure that the broader regional housing need was not fully removed by municipal exclusions to the LCF. Later meetings and correspondence with Fair Share resulted in a negotiated agreement of 240 units for Sayreville’s obligation for the 4<sup>th</sup> round. The Borough adopted resolution #2025-87 on March 25, 2025 committing to the agreed revised obligation.

Following from this agreement, the Borough still reserved the right to apply a vacant land adjustment to its obligation, which is a separate analysis to the land capacity factor conducted by DCA. As mentioned previously in this plan, the Borough’s VLA identified a total of 63.29 acres unencumbered for multi-family residential development, which at a presumptive density of six (6) dwelling units per acre creates a realistic development potential (RDP) of 76. The Borough proposes the following mechanisms to address the RDP:

*Mocco Site* – Located adjacent to the existing Lakeview at Sayreville and the John F. Kennedy Memorial Park, Block 252 Lot 2 is projected to be developed to include a 250 unit inclusionary age-restricted rental development. At a 15% set-aside for affordable units, this will result in a total of 38 units. Due to the 30% cap on age-restricted units, Sayreville will apply 22 units to its RDP, with the remaining units being applied to the Unmet Need. The Borough will apply an overlay to permit the development with affordable set-asides.

*Ernst Road* – The Ernst Road inclusionary site is composed of multiple parcels at the southeastern edge of the Borough at the border with Old Bridge, along Route 9. The southern site, bordered by Ernst and Westminster Boulevard contains an older single story commercial development. The Borough will provide overlay zoning to permit a development of up to 60 residential dwelling units, with a set-aside of 15% for rental or 20% for for-sale units, creating a minimum of 9 affordable housing units. These units are applied to the RDP. The northern site is in multiple ownership and additionally has a contaminated site that is currently being remediated. The northern site will be included in an overlay that permits residential development up to 10 dwelling

units/acre, with a set-aside for affordable housing of 15% for rental or 20% for sale units, which will result in a minimum of 11 affordable units. These units will be applied to the Unmet Need.

*Supportive/Special Needs home* – Sayreville will commit to developing one (1) housing unit for supportive and/or special needs, with a minimum of four (4) bedrooms. The operator of the unit must be licensed by the Division of Developmental Disabilities. Funding for the project is outlined in the spending plan.

*Raritan Street Park & Ride* – The Borough maintains joint ownership (along with NJ Transit) of a park and ride parking lot at Raritan Street near Main Street and adjacent to the Garden State Parkway (B. 335.04 L. 1.021 & 1.022). This site has been long considered by the Borough to be underutilized for its intended purpose and being developed for mixed-uses including residential would be a better outcome for the site. The Borough will adopt a new overlay zone over the park and ride lots to permit multi-family development of up to 175 dwelling units with a set-aside for affordable housing of 15% for rental or 20% for sale units, which will result in a minimum of 27 affordable units. Twenty-two of these units will be applied to the RDP, with the remaining 5 units applied to the Unmet Need.

**Table 19 – Satisfaction of 4th Round RDP Obligation**

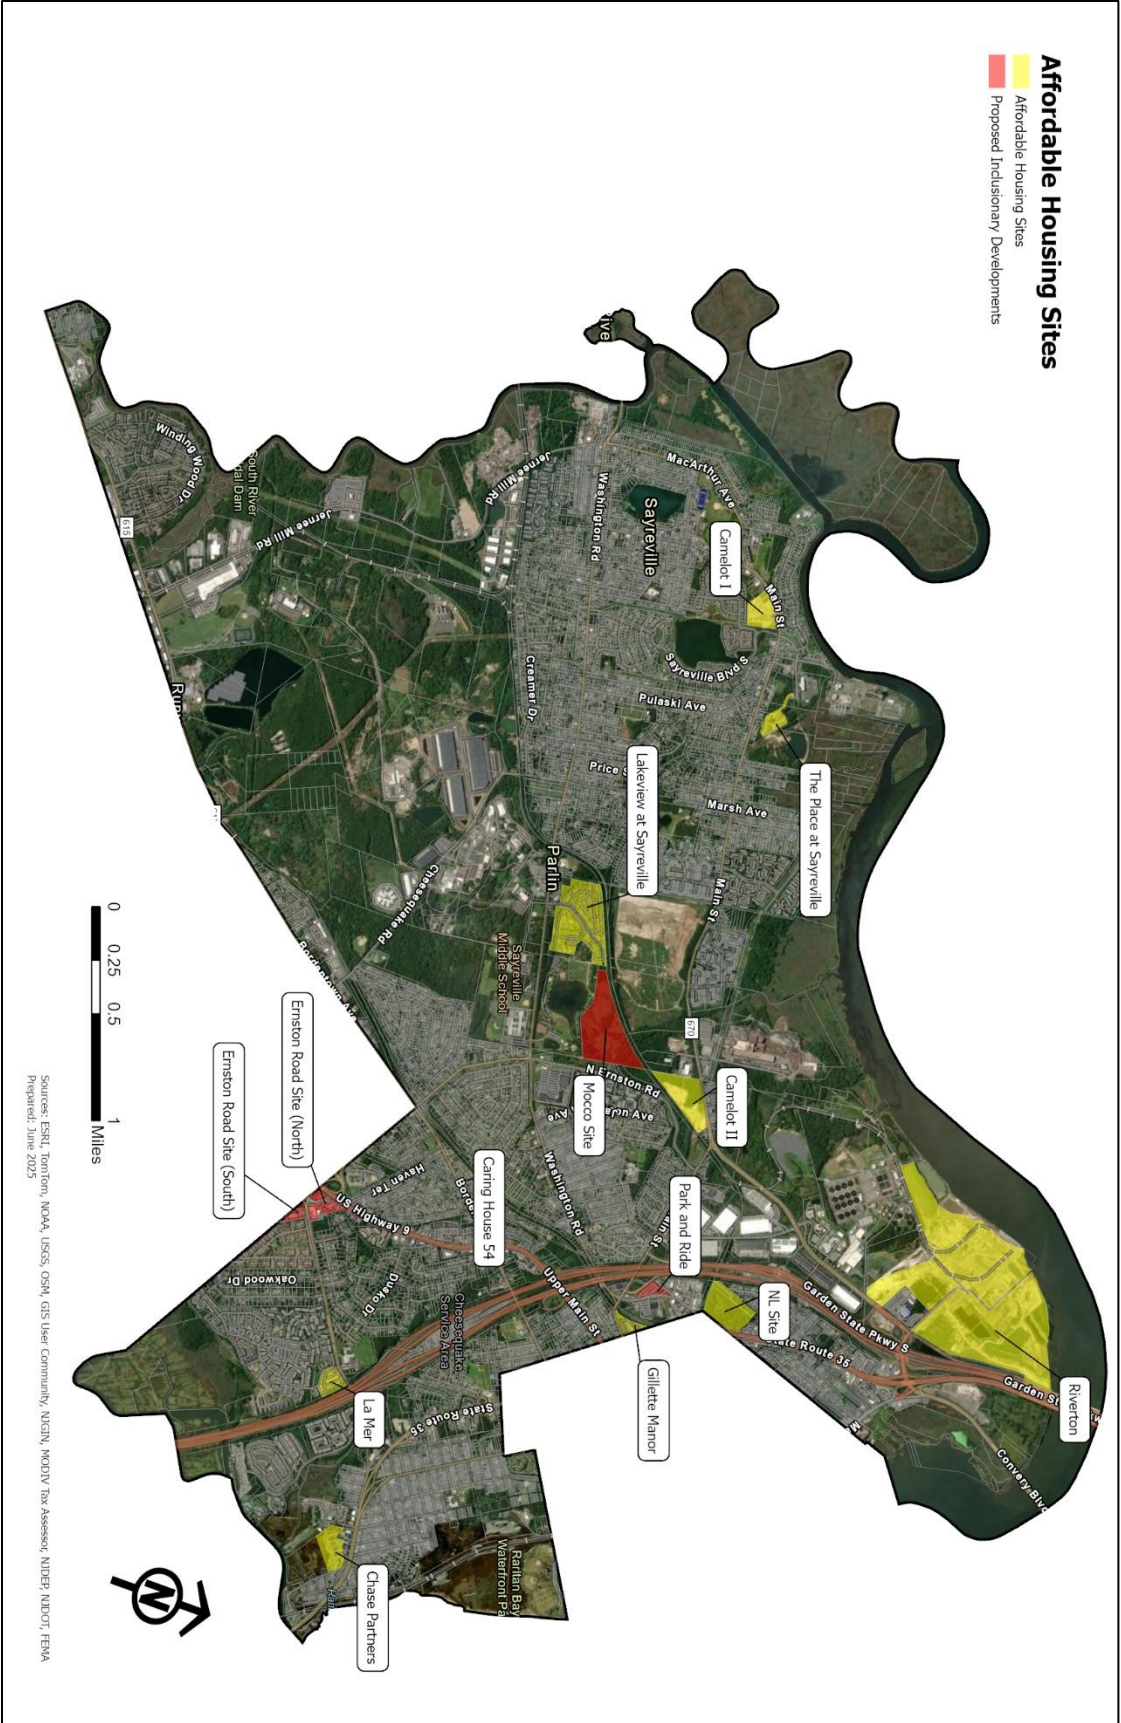

Compliance Mechanism	Rental or Sale	Family or Age Restricted	Units	Bonus Credits	Total Credits

<b>Bonus Credits</b>	19	19

Fig. 1 – Map of Existing and Proposed Affordable Housing

## Site Suitability Analyses

In accordance with Court Directive #14-24 a required element of a Housing Element and Fair Share Plan is the inclusion of detailed site suitability analyses, based on the best available data, for each of the un-built inclusionary or 100 percent affordable housing sites in the plan; and a concept plan for the development of each of the selected sites, overlaid on the most up to date environmental constraints map for that site as part of its analysis. The following section details the analyses as required for the proposed inclusionary sites included in this plan. Additionally, the Borough Engineer has provided a letter attesting to there being sufficient water and sewer access to each of these sites to support the prospective developments.

### **Raritan Street Park & Ride**

The Raritan Street Park and Ride is a 4-acre site that provides for a moderately large development footprint suitable for multi-unit residential construction with adequate circulation and open space; however, there are several significant constraints. The presence of electricity pylons and overhead transmission lines will likely limit buildable areas due to safety and setback requirements. Additionally, the existing active use of the site as a commuter park and ride and split ownership between the Borough and the Turnpike Authority will require coordination with other agencies on the temporary or permanent relocation of current facilities. These constraints will impact site planning but can be addressed through creative design and phased development.

The site's location within the B3 - Highway Business zoning district does not permit dwelling units as a use. Zoning modifications through the implementation of an overlay permitting residential uses will be necessary to allow for affordable unit construction. While the bulk regulations are favorable for mid-density development, allowing for two- to three-story buildings as-of-right, the limitations imposed by the transmission lines may require a marginal increase in building lot coverage or building height.

## **Mocco Site**

The Mocco Site presents an excellent opportunity for residential development due to its large size and adjacency to existing residential neighborhoods, parkland, and educational facilities. The large and contiguous land area offers extensive flexibility across a range of housing typologies, from low-rise apartments to townhomes, and the potential to integrate open space, recreation areas, and other community-serving facilities on-site.

While the site is currently vacant there are numerous environmental constraints including multiple wetlands, waterbodies, and Burt Creek. This will likely fragment the developable area and require efforts to mitigate environmental impacts. Housing is not permitted in the PRIME (Public, Recreational, Institutional, Municipal, and Educational) zoning district. Given the scale of the site and its zoning, a zoning overlay must be pursued to accommodate affordable housing. The bulk standards allow for up to 3-story construction and substantial coverage (85% for buildings and pavement), which supports medium-density development.

Context & Adjacent Uses		
The lot is in the central part of the borough, and bordered by John F. Kennedy Park, the Lakeview at Sayreville residential development, several single-family homes, and Conrail’s Sayreville Running Track right-of-way. The lot is also close to the Sayreville Towne Center shopping center and Sayreville’s middle and high schools. On the opposite side of the Conrail right-of-way is the Fulton Landing Redevelopment Area. The lot itself is constrained by several wetlands, waterbodies, and Burt Creek, which bisects the site.

Sayreville Property Holding, LLC.		

## Ernston Road

The Ernston Road Site offers a moderately strong opportunity for development, driven by its size, strategic location near major road corridors, and proximity to existing residential neighborhoods. There are several constraints that impact future development. The presence of 12 different owners adds complexity in terms of acquisition, consolidation, or partnership development. In addition, the parcels include active retail businesses and a telecommunications tower, which would require relocation. Moreover, environmental remediation at 499 Ernston Road, could delay development and impose additional regulatory steps. It is unclear if Minimall Drive and Westminster Blvd driveways would need to be maintained through and after redevelopment. As a result of this complexity, it has been determined to include the southern portion of the site (B. 449.01 L. 1.01, 2.01 & 3.01) as a compliance mechanisms for the Borough's RDP obligation, with the northern site to be applied to the Unmet Need.

Current zoning as B3 - Highway Business does not permit residential uses by right. Zoning modifications, likely through the implementation of an overlay, will be necessary. Existing bulk regulations are favorable for mid-density development, allowing for two- to three-story buildings as-of-right.

#### Context & Adjacent Uses

The lots are in the southeastern part of the Borough near the municipal boundary with Old Bridge Township. Surrounding all portions of the site are auto-oriented retail uses and both single- and multi-family residential.

The northern portion of the site is bordered by US Route 9, Ernston Road, and single-family homes. This portion of the site is partially bisected by a driveway known as Minimall Drive. This portion of the site also surrounds the Sayreville water tower on three sides. 499 Ernston Road is located on NJDEP's Known Contaminated Site List. According to NJDEP records, remedial action is to be completed by May 2028.

The southern portion of the site is bordered by US Route 9, Ernston Road, the Skytop Garden Apartments, and the municipal border with Old Bridge Township. This portion of the site also includes a driveway, Westminster Boulevard, which provides access to the London Terrace and Parkwood Village development in Old Bridge Township.

## Unmet Need

Units not included in a municipality's RDP are identified as "Unmet Need". Sayreville did not have any unmet need in the prior or 3<sup>rd</sup> rounds. For the 4<sup>th</sup> round, the Borough has an unmet need of 164 units. Sayreville has a robust development environment with a substantial amount of land zoned for residential development. As such, it is anticipated that existing development interest and potential future projects that are of appropriate density and compatible with surrounding land uses, such as those outlined below, will contribute affordable housing units and may fully satisfy the unmet need prior to June 30, 2025.

*Gillette Towers Expansion* - Located along Main Street near the Garden State Parkway, this project is proposed to be developed to include an 81-unit inclusionary rental development, with an affordable housing set-aside that is anticipated to be in the form of special needs bedrooms. While the conceptual and final design of the project are pending finalization, it is anticipated that the set-aside will generate 16 special needs bedrooms at a 20% set-aside for affordable units. Sayreville is applying these units to its unmet need at this time; however, Sayreville reserves the right to amend this Plan and apply these units toward its RDP should the need arise, in which case the Borough also reserves the right to claim any associated bonus credits.

*Lakeview Expansion* - Located off of Kulas Lane within the existing Lakeview at Sayreville, Block 254.01, Lot 2 is proposed to be developed to include up to 80 dwelling units, including an affordable housing set-aside of 15-20%. This would result in a total of approximately 16 affordable housing units. This project is still under discussion and the precise number of residential units and set-aside may change. The project may contain either family units with affordable family units as the set-aside, or age-restricted units in combination with special needs units as the affordable housing set-aside. Sayreville is applying the affordable housing units from this project to its unmet need at this time; however, Sayreville reserves the right to amend this Plan and apply these units toward its RDP should the need arise, in which case the Borough also reserves the right to claim any associated bonus credits.

**Table 20 – Satisfaction of Unmet Need Obligation**

Compliance Mechanism	Rental or Sale	Family or Age Restricted	Units
<b>Ernstson Road North</b>	TBD	Family	11
<b>Mocco Site (B: 252 L: 2)</b>	Rental	Age Restricted	16
<b>Raritan Road Park &amp; Ride</b>	TBD	Family	5
<b>Gillette</b>	Rental	Age Restricted	16
<b>Lakeview Extension</b>	Rental	TBD	16
<b>Total</b>			<b>64</b>

During the Fourth Round compliance period the Borough may also include additional mechanisms such as opportunities for for-sale housing units developed via nonprofit organizations such as Habitat for Humanity or for-profit developers. In addition, the Borough may require veterans preference for certain projects. In order to effectuate the veterans preference requirement, the Borough would update its Affordable Housing Ordinance upon the adoption of updated UHAC regulations by the State of New Jersey.

## Cost Generation

The Borough of Sayreville will focus on complying with N.J.A.C. 5:93-10 regarding ensuring the elimination of unnecessary cost-generating features from municipal land use ordinances. The municipality will eliminate development standards that are not essential to protecting the public welfare and will expedite (“fast track”) approvals/denials on inclusionary development applications. The Borough will cooperate with developers of inclusionary developments in scheduling preapplication meetings, and municipal boards shall schedule regular and special monthly meetings (as needed) and provide ample time at those meetings to consider the merits of the inclusionary development application.

## **Appendix B - Resolution Establishing 4th Round Obligations**

**RESOLUTION #2025-39**

**RESOLUTION ESTABLISHING THE FOURTH ROUND AFFORDABLE  
HOUSING PRESENT NEED AND PROSPECTIVE NEED OBLIGATIONS  
FOR THE BOROUGH OF SAYREVILLE**

**WHEREAS**, on March 20, 2024, Governor Murphy signed into law an Amendment to the Fair Housing Act (N.J.S.A. 52:27D-301 *et seq.*) (hereinafter "Amended FHA"); and

**WHEREAS**, the Amended FHA requires the New Jersey Department of Community Affairs ("DCA") to produce non-binding estimates of fair share obligations for municipalities throughout the State on or before October 20, 2024; and

**WHEREAS**, the DCA issued a report on October 18, 2024 ("DCA Report") wherein it reported its estimate of the obligation for all municipalities based upon its interpretation of the standards in the Amended FHA; and

**WHEREAS**, the DCA Report calculated the Borough of Sayreville's Round 4 (2025-2035) obligations as follows: a Present Need or Rehabilitation Obligation of 194 units and a Prospective Need Obligation of 270 units; and

**WHEREAS**, the Amended FHA provides that the DCA Report is non-binding, thereby inviting municipalities to demonstrate that the Amended FHA would support modified or corrected calculations of the Round 4 affordable housing obligations; and

**WHEREAS**, pursuant to N.J.S.A. 52:27D-304.3, a municipality's average allocation factor is comprised of the equalized nonresidential factor, income capacity factor, and land capacity factor and shall be averaged to yield the municipality's average allocation factor, and

**WHEREAS**, the Amended FHA further provides that "[a]ll parties shall be entitled to rely upon regulations on municipal credits, adjustments, and compliance mechanisms adopted by COAH unless those regulations are contradicted by statute, including P.L. 2024, c.2 [Amended FHA], or binding court decisions" (N.J.S.A 52:27D-311(m)); and

**WHEREAS**, COAH regulations authorize vacant land adjustments as well as durational adjustments; and

**WHEREAS**, the DCA has released a Geographic Information Systems spatial data representation of the Land Capacity Analysis for the Amended FHA containing the Vacant and Developable land information that serves as the basis for calculating the land capacity factor; and

**WHEREAS**, the Borough of Sayreville and its professionals have reviewed the lands identified by the DCA for the land capacity factor with respect to the MOD-IV Property Tax List data, construction permit data, land use board approvals,

configuration, and accessibility to ascertain whether these identified developable lands may accommodate development; and

**WHEREAS**, based on the foregoing, Sayreville Borough relies on the DCA calculations of Sayreville Borough's fair share obligations as modified herein to account for the Borough's review of the lands identified by the DCA for the land capacity factor with respect to the MOD-IV Property Tax List data, construction permit data, land use board approvals, configuration, and accessibility to ascertain whether these identified developable lands may accommodate development, and as further set forth in detail and explained in the attached memo prepared by the Borough's affordable housing professional planner, and Sayreville Borough seeks to commit to provide its fair share of 194 units present need and 210 units prospective need, subject to any vacant land and/or durational adjustments it may seek as part of the Housing Plan element and Fair Share Plan element it subsequently submits in accordance with the Amended FHA; and

**WHEREAS**, Sayreville Borough reserves the right to comply with any additional amendments to the FHA that the Legislature may enact; and

**WHEREAS**, Sayreville Borough also reserves the right to adjust its position in the event of any rulings issued by New Jersey Superior Courts, or any other such action that alters the deadlines and/or requirements of the Amended FHA; and

**WHEREAS**, in the event that a third party challenges the calculations provided for in this Resolution, Sayreville Borough reserves the right to take such position as it deems appropriate in response thereto, including that its Round 4 Prospective Need Obligation should be lower than described herein; and

**WHEREAS**, in light of the above, the Borough Council of the Borough of Sayreville finds that it is in the best interest of the Borough to commit to the modified present need and prospective need Fourth Round affordable housing fair share numbers set forth herein, subject to the reservations set forth herein; and

**WHEREAS**, in accordance with AOC Directive #14-24 dated December 13, 2024, the Borough Council of the Borough of Sayreville finds that, as a municipality seeking a certification of compliance with the FHA, it is in the best interests of the Borough to direct the filing of an action in the form of a declaratory judgment complaint within forty-eight (48) hours after adoption of this Resolution, or by February 3, 2025, whichever is sooner;

**NOW, THEREFORE, BE IT RESOLVED**, by the Borough Council of the Borough of Sayreville, County of Middlesex, State of New Jersey, as follows:

1. All of the above WHEREAS clauses are incorporated into the operative clauses of this Resolution.

2. Sayreville Borough hereby commits to a Round 4 Present Need Obligation of 194 units, and a Round 4 Prospective Need Obligation of 210 units, modified from the DCA's calculations as explained above and in the attached

memorandum/report from the Borough's affordable housing professional planner, and subject to all reservations of rights set forth above.

3. The Borough Attorney and other appropriate Borough official is hereby authorized and directed to take all actions necessary to comply with the requirements of the Amended FHA, including the filing of a declaratory judgment complaint in Middlesex County within forty-eight (48) hours after adoption of this Resolution, attaching a copy of this Resolution as an exhibit to such filing.

4. The Borough Attorney and other appropriate Borough official is hereby authorized and directed to submit and/or file a copy of this Resolution with the Program or any other such entity as may be determined to be appropriate.

**BE IT FURTHER RESOLVED** that this Resolution shall take effect pursuant to law.

/s/ John Zebrowski, Councilman  
(Planning & Zoning Committee)

Reviewed by the Borough Attorney and is approved as to form and the Resolution satisfies all of the legal requirements for the Mayor's signature.

/s/ Joseph Sordillo, Borough Attorney

I, Jessica Morelos, RMC, Municipal Clerk of the Borough of Sayreville do hereby certify that the foregoing is a true copy of a Resolution adopted at a Regular Meeting of the Mayor and Borough Council held on the 27<sup>th</sup> day of January, 2025.

Jessica Morelos  
Municipal Clerk

## MEMORANDUM

**TO:** Sayreville Borough

**FROM:** Natalia Gulick, Senior Planner - Acuity Consulting

**RE:** Review of Sayreville Vacant Land Output – Land Capacity Factor

**DATE:** January 23, 2025

This memorandum provides an analysis of the parcels identified in the **Sayreville Vacant Land Output** from the New Jersey Department of Community Affairs (DCA). The purpose of this review is to recalculate the land capacity factor for potential affordable housing development under New Jersey's Affordable Housing Law (P.L. 2024, c.2).

---

## Calculation of Adjustment

The DCA's initial calculation identified **328.89 acres** of vacant land and set Sayreville's prospective need at **270 units**. After detailed review, parcels constrained by environmental factors and prior development were removed, reducing the developable acreage to **167.56 acres** which results in a 60 unit reduction to **210 units**.

---

## Justification for Adjustments

### 1. Environmental Constraints:

- Parcels entirely within flood zones, wetlands, or other environmentally restricted areas were excluded from the developable land pool. Examples include:
  - **Object ID 34416 (0.09 acres)**: Located entirely within a flood zone.
  - **Object ID 34423 (0.16 acres)**: Largely constrained by wetlands.
- These exclusions were based on GIS analysis incorporating environmental overlay layers to ensure compliance with state and federal regulations governing developable land.

### 2. Prior Development:

- Parcels with existing industrial or commercial uses were also removed, as they are not suitable for residential redevelopment. Examples include:
  - **Object ID 34430 (0.08 acres)**: Fully developed industrial parcel.
  - **Object ID 34442 (6.78 acres)**: Active industrial facility.
- These determinations were made through a combination of GIS analysis, aerial imagery review, and local property records, ensuring that only vacant, undeveloped, or underutilized land was considered.

### 3. Existing Public Park:

- Parcels with existing public open space or parkland were similarly excluded. Examples include:
  - **Object ID 34454 (67.43 acres)**: Walter D. Faith Memorial Field.

This number may be further reduced by the application of a vacant land adjustment or additional constraints yet to be identified. For further clarification or additional support, please feel free to contact me.

## **Appendix C – Resolution Authorizing a Settlement with Fair Share Housing Center**

**RESOLUTION #2025-87**

**RESOLUTION AUTHORIZING A SETTLEMENT WITH FAIR SHARE  
HOUSING CENTER AND RE-ESTABLISHING THE FOURTH ROUND  
AFFORDABLE HOUSING PRESENT NEED AND PROSPECTIVE NEED  
OBLIGATIONS FOR THE BOROUGH OF SAYREVILLE**

**WHEREAS**, on March 20, 2024, Governor Murphy signed into law an Amendment to the Fair Housing Act (N.J.S.A. 52:27D-301 *et seq.*) (hereinafter “Amended FHA”); and

**WHEREAS**, the Amended FHA requires the New Jersey Department of Community Affairs (“DCA”) to produce non-binding estimates of fair share obligations for municipalities throughout the State on or before October 20, 2024; and

**WHEREAS**, the DCA issued a report on October 18, 2024 (“DCA Report”) wherein it reported its estimate of the obligation for all municipalities based upon its interpretation of the standards in the Amended FHA; and

**WHEREAS**, the DCA Report calculated the Borough of Sayreville’s Round 4 (2025-2035) obligations as follows: a Present Need or Rehabilitation Obligation of 194 units and a Prospective Need Obligation of 270 units; and

**WHEREAS**, the Amended FHA provides that the DCA Report is non-binding, thereby inviting municipalities to demonstrate that the Amended FHA would support modified or corrected calculations of the Round 4 affordable housing obligations; and

**WHEREAS**, pursuant to N.J.S.A. 52:27D-304.3, a municipality’s average allocation factor is comprised of the equalized nonresidential factor, income capacity factor, and land capacity factor and shall be averaged to yield the municipality’s average allocation factor, and

**WHEREAS**, the Amended FHA further provides that “[a]ll parties shall be entitled to rely upon regulations on municipal credits, adjustments, and compliance mechanisms adopted by COAH unless those regulations are contradicted by statute, including P.L. 2024, c.2 [Amended FHA], or binding court decisions” (N.J.S.A 52:27D-311(m)); and

**WHEREAS**, COAH regulations authorize vacant land adjustments as well as durational adjustments; and

**WHEREAS**, the DCA has released a Geographic Information Systems spatial data representation of the Land Capacity Analysis for the Amended FHA containing the Vacant and Developable land information that serves as the basis for calculating the land capacity factor; and

**WHEREAS**, the Borough of Sayreville and its professionals have reviewed the lands identified by the DCA for the land capacity factor with respect to the MOD-IV Property Tax List data, construction permit data, land use board approvals,

configuration, and accessibility to ascertain whether these identified developable lands may accommodate development; and

**WHEREAS**, based on the foregoing, Sayreville Borough relied on the DCA calculations of Sayreville Borough's fair share obligations as modified by the Borough's review of the lands identified by the DCA for the land capacity factor with respect to the MOD-IV Property Tax List data, construction permit data, land use board approvals, configuration, and accessibility to ascertain whether these identified developable lands may accommodate development, and as further set forth in detail and explained in the attached memo prepared by the Borough's affordable housing professional planner, and Sayreville Borough adopted Resolution No. 2025-39, committing to provide its fair share of 194 units present need and 210 units prospective need, subject to any vacant land and/or durational adjustments it may seek as part of the Housing Plan element and Fair Share Plan element it subsequently submits in accordance with the Amended FHA; and

**WHEREAS**, Sayreville having filed its resolution of participation before the Affordable Housing Dispute Resolution Program (the "Program") on January 28, 2025, in accordance with the requirements of N.J.S.A. 52:27D-301, et seq., and the timeframes set forth in Directive #14-24, bearing Docket No. MID-L-569-25; and

**WHEREAS**, in accordance with the timeframes set forth in the Amended Act and the Directive, FSHC filed a timely objection to Sayreville's resolution on February 28, 2025; and

**WHEREAS**, FSHC's objection contended that Sayreville had improperly calculated its Prospective Need obligations and requested that the Program find that Sayreville's Prospective Need obligation be set at 270; and

**WHEREAS**, Sayreville disputes the contentions raised in FSHC's objection; and

**WHEREAS**, within the Program established pursuant to N.J.S.A. 52:27D-313.2, the parties have engaged in the mediation process provided by the Program and conferred and reached an accord setting forth Sayreville's Fourth Round Prospective Need obligations, without either party admitting the validity of the others' claims; and

**WHEREAS**, recognizing that this agreement is reached prior to the adjudication of any challenges by the Program or any potential subsequent review in the judicial system, the parties agree that 240 units is within the range of possible outcomes for Sayreville's Fourth Round Prospective Need; and

**WHEREAS**, resolving the Fourth Round Prospective Need at this juncture and allowing Sayreville to move forward with preparing its Fourth Round Housing Element and Fair Share Plan ("HEFSP") is important to the interests of lower-income households; and

**WHEREAS**, Sayreville and FSHC thus agree to present this mediation agreement to the Program and consent to the mediation agreement, upon the approval by the Program, setting forth Sayreville's Fourth Round obligations and

binding Sayreville to utilize these obligations and foreclosing FSHC from further challenge to said obligations; and

**WHEREAS**, Sayreville and FSHC also acknowledge and agree that if the Program, trial court, or any appellate court rejects approval of this Agreement, the Parties reserve their right to return to the *status quo ante*; and

**WHEREAS**, Sayreville Borough reserves the right to comply with any additional amendments to the FHA that the Legislature may enact; and

**WHEREAS**, Sayreville Borough also reserves the right to adjust its position in the event of any rulings issued by New Jersey Superior Courts, or any other such action that alters the deadlines and/or requirements of the Amended FHA; and

**WHEREAS**, in light of the above, the Borough Council of the Borough of Sayreville finds that it is in the best interest of the Borough to commit to the modified present need and prospective need Fourth Round affordable housing fair share numbers set forth herein, subject to the reservations set forth herein; and

**WHEREAS**, in accordance with AOC Directive #14-24 dated December 13, 2024, the Borough Council of the Borough of Sayreville finds that, as a municipality seeking a certification of compliance with the FHA, it is in the best interests of the Borough to enter into the Settlement Agreement with FSHC, with an agreed upon Round 4 Present Need Obligation of 194 units, and a Round 4 Prospective Need Obligation of 240 units.

**NOW, THEREFORE, BE IT RESOLVED**, by the Borough Council of the Borough of Sayreville, County of Middlesex, State of New Jersey, as follows:

1. All of the above WHEREAS clauses are incorporated into the operative clauses of this Resolution.

2. Sayreville Borough hereby commits to a Round 4 Present Need Obligation of 194 units, and a Round 4 Prospective Need Obligation of 240 units, modified from the DCA's calculations as explained above and as set forth in the attached Mediation Agreement with FSHC to be entered with the Affordable Housing Dispute Resolution Program, subject to all reservations of rights set forth above.

3. The Borough Attorney and other appropriate Borough official is hereby authorized and directed to take all actions necessary to comply with the requirements of the Mediation Agreement and Amended FHA, including the signing of the Agreement and filing same with the Program.

**BE IT FURTHER RESOLVED** that this Resolution shall take effect pursuant to law.

/s/ John Zebrowski, Councilman  
(Planning & Zoning Committee)

Reviewed by the Borough Attorney and is approved as to form and the Resolution satisfies all of the legal requirements for the Mayor's signature.

DOCKET NO. MID-L-000569-25

Civil Action

Mt. Laurel Program

**DECISION AND ORDER FIXING  
MUNICIPAL OBLIGATIONS FOR  
“PRESENT NEED” AND “PROSPECTIVE  
NEED” FOR THE FOURTH ROUND  
HOUSING CYCLE**

**THIS MATTER**, having come before the Court on referral from and recommendation issued by the Affordable Housing Dispute Resolution Program (“Program”), pursuant to the Complaint for Declaratory Judgment filed on January 28, 2025 (“DJ Complaint”) by the Petitioner, **BOROUGH OF SAYREVILLE** (“Petitioner” or “Municipality”), pursuant to N.J.S.A. 52:27D-304.2, -304.3, and -304.1(f)(1)(c) of the New Jersey Fair Housing Act, N.J.S.A. 52:27D-301, et seq. (collectively, the “FHA”), and in accordance with Section II.A of Administrative Directive

#14-24 (“Directive #14-24”) of the ”Program”, seeking a certification of compliance with the FHA;

**AND IT APPEARING** that, the Municipality timely adopted Resolution 2025-39 on January 27, 2025, seeking deviation from the “present need” and “prospective need” calculations allocated to it by the New Jersey Department of Community Affairs (“DCA”) in its report dated October 18, 2024 entitled *Affordable Housing Obligations for 2025-2035 (Fourth Round* (the “DCA’s Fourth Round Report”) – specifically, a “present need” obligation of 194 affordable housing units, a “prospective need” obligation of 270 affordable housing units, which calculations have been deemed “presumptively valid” for purposes of the FHA - and based on the Municipality planners’ recommendation for 194 affordable housing units for “present need” and 210 units for a “prospective need” affordable housing obligation for the Fourth Round housing cycle;

**AND IT APPEARING** that, challenges to the Municipality’s calculations (“Challenges”) were timely and properly filed by Fair Share Housing Center (“FSHC”) and the New Jersey Builders Association (“NJBA”) (each a “Challenger”, and collectively the “Challengers”) by and through their respective counsel, wherein both Challengers disputed the Municipality’s proposed obligation for prospective need, and supported DCA’s present and prospective need obligations, with each Challenge supported by their own expert reports;

**AND IT APPEARING** that, pursuant to the Program, the Administrative Office of the Courts (“AOC”) appointed and assigned the case to Program member, the Hon. Mary C. Jacobson, J.S.C. (Ret.) (“Program Member”) to manage the proceedings, host settlement conferences, and make recommendations to the Court in accordance with the FHA and the AOC’s Directive #14-24 (“Directive #14-24”), and that the Program Member appointed Elizabeth McManus, PP, AICP, LEED AP, an independent affordable housing expert, as special adjudicator (“Special

Adjudicator”) in this case to work with, make recommendations to and assist the Program, and who worked closely with the Program Member;

**AND IT APPEARING** that the NJBA notified the Program in writing by their counsel that they will not object to any settlement reached between the Municipality and the FSHC;

**AND IT APPEARING** that, on March 10, 2025 and March 19, 2025, settlement conferences were conducted on notice to all parties with the participation of local officials, town planner, planners for FSHC, and attorneys for the Municipality and attorneys for the NJBA and FSHC, in accordance with the statutory framework and Directive #14-24, and with the goal of reaching a resolution;

**AND IT APPEARING** that, the parties engaged in extensive settlement negotiations before and during the settlement conferences, with the guidance and assistance of the Program Member and the Special Adjudicator;

**AND IT APPEARING** that, as a result of the settlement conferences conducted, the Municipality and FSHC reached a resolution (“Settlement”); the Settlement was placed on the record on March 19, 2025; the Program consequently directed the parties to circulate a settlement agreement that was uploaded to eCourts on March 27, 2025; and the Program further directed that the governing body of the Municipality adopt a resolution to accept and confirm the Settlement, which resolution shall also be uploaded to eCourts;

**AND THE COURT**, having received the Program Member’s report dated March 31, 2025, since posted to the eCourts jacket for this matter at Trans. ID: LCV20251012183, the findings, terms, and recommendations of which are incorporated by reference as though more fully set forth herein (the “Report”);

**AND THE COURT**, having been advised that (i) the Special Adjudicator has recommended acceptance of the Settlement, (ii) the Program Member has recommended acceptance of the Settlement as reasonable and in furtherance of the interests of low- and moderate-income households in the Municipality (collectively, the “Recommendations”), and that (iii) the Program Member further recommends that the Court adopt the findings and recommendations set forth in the Report and enter an Order, *forthwith*, implementing the terms of Settlement and thereby fix the “present need” and “prospective need” obligations of the Municipality for the Fourth Round housing cycle;

**AND THE COURT**, having reviewed and considered the Program Member’s Report and Recommendations, having been satisfied that an arm’s length Settlement was reached and entered into by and between the parties that is fair and equitable as well as in the best interests of the protected class of low- and moderate-income households in the Municipality, and for good and sufficient cause having otherwise been shown:

**IT IS, THEREFORE**, on and as of this **4th** day of **APRIL 2025 ADJUDGED AND ORDERED**, that the Program Member’s Report and Recommendations for approval of the Settlement, be, and the same hereby **ACCEPTED** and **ADOPTED** in their entirety; and to that end, more specifically, it is further

**ORDERED**, as follows:

1. That the “present need” obligation of the Municipality, be, and hereby is fixed as **one hundred ninety-four (194)** affordable units for the Fourth Round housing cycle.
2. That the “prospective need” obligation of the Municipality, be, and hereby is fixed as **two hundred forty (240)** affordable units for the Fourth Round Housing cycle; and

3. That the Petitioner is hereby authorized to proceed to the compliance phase with preparation and adoption of its proposed Housing Element and Fair Share Plan for the Fourth Round, incorporating therein the “present need” and “prospective need” allocations aforesaid (and which plan shall include the elements set forth in the “Addendum” attached to Directive #14-24), by or before June 30, 2025, as provided for and in accordance with Section III.A of Directive #14-24, and without further delay; and

4. That any and all “challenges” to the Petitioner’s Housing Element and Fair Share Plan as adopted by Paragraph 3 above must be filed by August 31, 2025, by way of Answer/Objection filed in the eCourts case jacket for this matter, and as provided for and in accordance with Section III.B of AOC Directive #14-24

**IT IS FURTHER ORDERED**, that a copy of this Order shall be deemed served on the Petitioner, Petitioner’s counsel, Challenger FSHC’s counsel and Challenger NJBA’s counsel upon its posting by the Court to the eCourts case jacket for this matter pursuant to R. 1:5-1(a) and R. 1:32-2A.

SO ORDERED:

**HON. THOMAS DANIEL McCLOSKEY, J.S.C.**  
*Designated Mt. Laurel Judge – Middlesex Vicinage*

(X) Challenged.

**R. 1:7-4(a):** Having reviewed and considered the Program Member’s Report and Recommendations as well as the terms of Settlement placed on the record by the parties before the Program Member on March 19, 2025, the Court is satisfied that an arm’s length Settlement was reached and entered into by and between the parties, and that the terms of the Settlement attained are fair and equitable as well as in the best interests of the protected class of low- and moderate-income households in the Municipality. This Settlement disposes of all Challenges filed, i.e., those filed by FSHC and NJBA.

Accordingly, the Court hereby adopts in full the Report and Recommendations of the Program Member and accepts the same for the detailed findings and reasons set forth therein. As a result, the Municipality retains all the protections of the above-referenced amendments to the FHA, continues to retain immunity from exclusionary zoning litigation, and that the Program retains jurisdiction for the compliance phase in accordance with the statutory framework and AOC Directive #14-24.

An appropriate form of Order implementing the Program Member's Report and Recommendations accompanies this statement of reasons.

**SO ORDERED.**

## **Appendix E – Gillette Manor Extension of Controls Resolution**

## **SAYREVILLE HOUSING FOR SENIORS CORPORATION**

### **RESOLUTION NO. 2018-03**

**WHEREAS**, the Borough of Sayreville has petitioned the Superior Court of New Jersey for a Declaratory Judgment that its present or eventual Housing Element and Fair Share Plan is compliant with this constitutional obligation to provide its fair share of the regional need for very low-, low-, and moderate income housing; and

**WHEREAS**, Sayreville Housing for Seniors, Inc., a New Jersey corporation is the owner of Gillette Manor and has its principal office at 650 Washington Road, Sayreville, NJ 08872.

**WHEREAS**, that application relies upon credits produced by a 100% affordable senior project located at 650 Washington Road, Sayreville, New Jersey 08872 (hereafter "Gillette Manor"), which received HMFA tax credits in 1995 conditioned upon affordability controls contained in the Deed of Easement and Restrictive Covenant for the subject property; and

**WHEREAS**, said affordability controls began in 1995 for an initial period of fifteen (15) years; and

**WHEREAS**, said affordability controls were subject to an extended-use restriction for an additional fifteen (15) year period until January 1, 2015; and

**WHEREAS**, the Sayreville Housing for Seniors, Inc. previously, by Resolution 2018-01, extended controls until at least the end of the Borough's Round 3 compliance period.

**WHEREAS**, the Borough has requested that the Sayreville Housing for Seniors, Inc. provide a new minimum thirty (30) year deed restriction on each unit without any residency preference that will commence after a unit becomes vacant, is affirmatively marketed and is re-occupied by a qualified low or moderate income tenant;

**WHEREAS**, because Gillette Manor is currently occupied, a new thirty (30) year restriction without any residency preference will begin after a unit has been vacated, has been affirmatively marketed to low and moderate income households without any residency preference and been re-occupied.

**NOW THEREFORE**, the current existing affordability controls for the entirety of Gillette Manor shall be extended and continues, but without a residency preference, for a period of least thirty (30) years commencing at a time each particular vacated unit is re-occupied after having been affirmatively marketed; and

**RESOLUTION NO. 2018-03**  
**June 2018**

This Resolution shall repeal and replace Resolution 2018-01 in its entirety and shall take effect upon acceptance by the Superior Court of New Jersey of "The Affordable Housing Plan of the Borough of Sayreville. If said plan isn't approved by the Court, this Resolution shall be null and void.

  
Kenneth Olchaskey, Chairman

I, Douglas G. Dzema, Secretary of the Sayreville Housing for Seniors Corporation hereby certify that the foregoing is a true copy of a resolution adopted via telephone vote June 6, 2018.

## Deed Restriction

THIS DEED RESTRICTION, entered into as of this the 10<sup>th</sup> day of February, 2020, by and between the Borough of Sayreville, a municipal corporation of the State of New Jersey, having an address at 167 Main Street, Sayreville, NJ 08872 (hereinafter the "Borough" or the "Municipality") and Camelot at LaMer LLC, a New Jersey limited liability company whose mailing address is 433 River Road, Highland Park, NJ 0890, the developer/sponsor (the "Owner") of a residential low or moderate-income rental development (the "Property"):

### WITNESSETH

#### Article 1. Consideration

In consideration of benefits and/or right to develop two (2) affordable residential rental units within the Property (the "Affordable Project") received by the Owner from the Municipality, the Owner hereby agrees to abide by the covenants, terms and conditions set forth in this Deed restriction, with respect to the land and improvements more specifically described in Article 2, hereof (the Property).

#### Article 2. Description of Project

The Affordable Project consists of only two (2) residential rental units located in Borough of Sayreville, County of Middlesex, State of New Jersey, and described more specifically as a portion of Block 449 Lot 10.100 and known by the street address of 115 Check Avenue, Parlin, New Jersey and 140 Samuel Circle, Parlin, New Jersey. The Affordable Project is an addition to an existing two hundred (200) unit apartment development known as Camelot at LaMer (the "Existing Development"). This Deed Restriction does not apply to or affect in any way any of the apartments/units in the Existing Development.

Two (2) affordable housing units, of which one (1) shall be affordable to low income tenants and one (1) shall be affordable to very low income tenants.

More specifically, the two (2) units in the Affordable Project designated by address, bedroom size, and income restriction are listed below:

115 Check Avenue, 1 Bedroom – low income; and  
140 Samuel Circle, 1 Bedroom – very low income

#### Article 3. Affordable Housing Covenants

The following covenants (the "Covenants") shall run with the land for the period of time (the "Control Period"), determined separately with respect for each dwelling unit within the Affordable Project, commencing upon the date on which the first certified household occupies the unit, and shall expire as determined under the Uniform Controls, as defined below.

In accordance with N.J.A.C. 5:80-26.11, each restricted unit within the Affordable Project shall remain subject to the requirements of this subchapter, the "Control Period," until the municipality in which the unit is located elects to release the unit from such requirements. Prior to such a municipal election, a restricted unit must remain subject to the requirements of this subchapter for a period of at least 50 years.

- A. Sale and use of the Affordable Project is governed by regulations known as the Uniform Housing Affordability Controls, which are found in New Jersey Administrative Code at Title 5, chapter 80, subchapter 26 (N.J.A.C. 5:80-26.1, et seq., the "Uniform Controls")
- B. The Affordable Project shall be used solely for the purpose of providing dwelling units for very low, low, or moderate income households, and no commitment for any such dwelling unit shall be given or implied, without exception, to any person who has not been certified for that unit in writing by the Administrative Agent. So long as any dwelling unit remains within its Control Period, sale of the Affordable Project must be expressly subject to these Deed Restrictions, deeds of conveyance must have these Deed Restrictions appended thereto, and no sale of the Affordable Project shall be lawful, unless approved in advance and in writing by the Administrative Agent.
- C. No improvements may be made to the Affordable Project that would affect the bedroom configuration of any of its dwelling units, and any improvements to the Affordable Project must be approved in advance and in writing by the Administrative Agent.
- D. The Owner shall notify the Municipality of any foreclosure actions filed with respect to the Affordable Project within five (5) business days of service upon Owner.
- E. The Owner shall notify the Municipality within three (3) business days of the filing of any petition for protection from creditors or reorganization filed by or on behalf of the Owner.

#### Article 4. Remedies for Breach of Affordable Housing Covenants

A breach of the Covenants will cause irreparable harm to the Administrative Agent, to the Municipality and to the public, in light of the public policies set forth in the New Jersey Fair Housing Act, the Uniform Housing Affordability Control rules found at N.J.A.C. 5:80-26, and the obligation for the provision of low and moderate-income housing.

- A. In the event of a threatened breach of any of the Covenants by the Owner, or any successor in interest of the Affordable Project, the Municipality shall have all remedies provided at law or equity, including the right to seek injunctive relief or specific performance.
- B. Upon the occurrence of a breach of any Covenants by the Grantee, or any successor in interest or other owner of the Affordable Project, the Municipality shall have all remedies provided at law or equity, including but not limited to, forfeiture, foreclosure, acceleration of all sums due under any mortgage, recouping of any funds from a sale in violation of the Covenants, diverting of rent proceeds from illegal rentals, injunctive relief to prevent further violation of said Covenants, entry on the premises, those provided under Title 5, Chapter 80, Subchapter 26 of the New Jersey Administrative Code and specific performance.

IN WITNESS WHEREOF, the Administrative Agent and the Owner have executed this Deed Restriction in triplicate as of the date first above written.
